Tuesday, June 11, 6:00pm - 9:00pm
Location: Mountaineers Program Center

This is a review of crevasse rescue skills before snow 2. Attendance at this review session is required to go on Snow 2. Contact Carl immediately if you can't make the review session.

MAC General Meeting
Wednesday, June 12, 7:00pm - 9:00pm
Location: Mountaineers Program Center

Our monthly meeting where we plan for upcoming trips and practice new skills. This month's meeting will be especially important as we will continue planning for our week long summer trip and it essential to have everyone who plans on going at this meeting.

Snow 2 Skills/ Self-arrest Field Trip
Saturday, June 15 - Sunday, June 16
Location: Mt. Baker wilderness area (meet at Mountaineers Program Center)

Practice and expand on glacier climbing skills in real world situations. **Note: Attendance of this trip is required for glacier climbing trips this summer.**

Volunteer Wall Maintenance
Tuesday, June 18, 6:00pm - 8:00pm
Location: Mountaineers Program Center

This is a good opportunity for anyone who need volunteer service hours or just wants to learn about the way Mountaineers climbing walls are run. Definitely a good time and will impact all of us directly as we use the Mountaineers walls frequently.

MAC Open Climb Night
Thursday, June 20, 6:30pm - 8:30pm
Location: Mountaineers Program Center

This is a basic skills workshop for anyone who wants to show up. If there's anything you want to learn or practice feel free to drop in. Registration is required. Register on the MAC course page.

Backpacking Trip: Hoh River Trail
Friday, June 21 - Sunday, June 23
Location: Olympic National Park (meet at Mountaineers Program Center)

A multi-day backpacking trip in the Olympic National Park. It's crucial that participants of this trip get together prior to the trip to confirm plans and figure out who's cooking.

Backpacking Trip: Olympic Coast, The Wildcatter Coast
Friday, June 21 - Sunday, June 23
Location: Olympic National Park (meet at Mountaineers Program Center)

Another multi-day backpacking trip in the Olympic National Park. It will also be important for this trip that participants get together to confirm plans for the trip.

Alpine Climb: Eldorado Peak/ Inspiration Glacier
Saturday, June 22 - Sunday, June 23
Location: North Cascades National Park (meet at Mountaineers Program Center)

Our first alpine climbing trip of the summer! There will also be a planning meeting for this trip

Alpine Climb: Mount Adams/ South Spur
Friday, June 28 - Sunday, June 30
Location: Mount Adams Wilderness (meet at Mountaineers Program Center)

Our second alpine climb of the summer, this is a more difficult route and requires more glacier climbing skills. Planning trip for this meeting will also be within a week or two of the trip.
