

Kansas Turtle Identification Project

Objective: To broaden your understanding of Kansas turtle species and public speaking skills through the completion of a turtle identification project

Instructions: Create a presentation using Web 2.0 media of your choice PowerPoint, Pages, Keynote, Prezi, etc and include the following:

Pictures of:

Common Snapping Turtle
Alligator Snapping Turtle
Painted Turtle
False Map Turtle
River Cooter
Ornate Box Turtle
Three-toed Box Turtle
Pond Slider
Yellow Mud Turtle
Eastern Musk Turtle
Smooth Softshell
Spiny Softshell

Supplemental Information:

Three facts about each turtle species of your choice

Then

You will present your project to the class, highlighting what you've learned about these species
