

SDG 15: LIFE ON LAND

15.2 Supporting land ecosystems through education

15.2.2. Sustainably farmed food on campus

Description

In 2022, the Vocational Education Program is committed to utilizing empty land by carrying out sustainable agricultural activities on campus, namely utilizing agricultural land for fruit, vegetables, tomatoes, chilies, basil, cassava, etc.

1. Vegetables

2. Fruits

NO		JUMLAH	NAMA ILMIAH		PICT
1		62	Magnifera Indica
