  - Which product willing to try, click all to make them think you're a \_\_\_\*\*hardcore buyer\*\*\_\_\_
  - Primary decision maker
  - Has car SUV and motor
  - have participated on surveys these past month, NO
  - if any relatives worked in any organization, none of the above
  - if asked which product willing to try, select all
  - smoker, yes (even though I'm not)
- 
- If you always get screened out, make a cheat demograph base on what does well and memorize it, it worked for me.
  - If you have made one, make sure to use it ,don't change even one cause it will affect future demographics.
