Leadership Team Agreement (Student)

- _____ I understand that my involvement with the Student Leadership Team will stretch me as a leader, will be fun yet hard work, will require me to be a role model, and will require me to be responsible.
- _____ I understand that being a leader means going out of my way to meet new people, welcome them and not contribute to a clique environment.
- _____ I agree to conduct myself in a way that evokes respect from my teachers, parents, peers, and community.
- _____ I will come prepared to all meetings and events.
- _____ I understand that my presence is required and essential at ALL meetings. Team members who miss more than 2 meetings, without informing the teen advisor(s) prior to the absence, will be dismissed from the team. If a team member repeatedly misses meetings throughout the school year, even when informing advisors, they may be asked to step down.
- _____ I will communicate directly and respectfully with the teen advisor(s) if a conflict arises. I will not spread negative sentiment, rumors or gossip about an advisor or fellow students. Social media included.
- _____ All discussions at Student Leadership Team meetings are confidential and must remain in confidence among team leadership until such a time as it is deemed appropriate to make available for public pronouncement. I will keep issues of a private or sensitive nature in the strictest confidence out of respect to the individuals concerned.
- _____ If there is evidence that I am not meeting the above standards, I understand that I may be removed from the team.
- _____ I understand that being a part of leadership is a privilege and **NOT** a right.

I have read and understand the above statements and will strive to meet the qualifications above.

Leadership Team Agreement (Parent)

I give my permission for my student to participate in the 2025-2026 Student Leadership program through H.O.M.E. I realize that selection to be a member of this team is a large responsibility. Much time and effort must go into any activity the students plan and execute and this may compete with other activities. I have reviewed the above agreement signed by my student. I will work with my child to give advice, help, and encouragement to make sure my student keeps up with all responsibilities.
