

Lodi School District Library Plan

MIDDLE SCHOOL

	<p>Lodi Strategic Plan Pillar 2:</p> <p>Nurturing the Whole Student</p> <p>Future Ready Framework gear/wedge:</p> <p>Use of Space & Time Designs Collaborative Spaces</p>
<p>What we are doing</p>	<p>The Middle School Library was recently updated with grants from various local and national agencies. There is a new mural, shelving and furniture. The old computer annex has been updated as a mini STEAM lab and makerspace.</p> <p>The Library Media Center is a place where teachers can reserve space, various clubs meet, the old computer annex has been converted into a makerspace, student and teacher printing and copying occurs, and quiet testing happens.</p>
<p>What we want to do in the future</p>	<p>Use the maker space for advanced math students, Wednesday club day, and WYN and ELT classes.</p>
<p>Area of Focus: Future Ready Library Goal for 2024-2025</p>	<p>During the 2024-2025 School year the new Maker Space will be used on Wednesday Club Day and with Advanced Math students.</p>
