[Wynters65](#) 🗣️ 🗣️ Sound is fine

[Collinwood01](#) 🗣️ I can hear fine just sounds like theyre talkin in a cardboard box but I can handle it

[The8thChild](#) I'll plug in my speakers

[Becklenay](#) 🗣️ The video does has a high refirb.

[Becklenay](#) 🗣️ Reverb. Dang fat fingers!

[Collinwood01](#) 🗣️ lol Beck, Give it a lil bit and my fingers will start slurrin. Havin a beer

[Wynters65](#) 🗣️ 🗣️ I think it is

[Becklenay](#) 🗣️ About the same on my end. But I can understand.

[Slingshot1987](#) Goes against the treaty of 1987.

[Becklenay](#) 🗣️ [@Collin](#) - I just have fat fingers. Working hands.

[Slingshot1987](#) To weaponize Ukraine

[Collinwood01](#) 🗣️ Nothin wrong with that Beck!

[Becklenay](#) 🗣️ [@Collin](#) - I am 85 pounds soaking wet - but need mens gloves and wear a size 8 ring.

[Slingshot1987](#) Lol

[Slingshot1987](#) Me too

[Slingshot1987](#) Correct

[Slingshot1987](#) Hahaha,

[The8thChild](#) Afree! Putin is fighting the international bankers

[Collinwood01](#) 🗣️ Amazing that all these pieces of paper are written and none get abided, for example, The Constitution. Written over 200yrs ago and still unabided

[The8thChild](#) They are getting Christians to fight Christians, again.

[The8thChild](#) Bankers have always supported Communism.

[Becklenay](#) 🗨️ The modern youth cannot read cursive, are not taught Shakespear in Olde English. They have no clue how to read the Constitution as written.

[Collinwood01](#) 🗨️ Agreed Ron! Gettin ready to send another \$2.3billion to Ukraine. Bleedin us dry

[Becklenay](#) 🗨️ Puttin and Trump responded to one another before the translator were done.

[The8thChild](#) Agree. Putin is in the right

[The8thChild](#) Ukraine leader hates the Slavic people.

[Becklenay](#) 🗨️ Slavic is the origin of slave

[Collinwood01](#) 🗨️ ^

[Collinwood01](#) 🗨️ lol

[Collinwood01](#) 🗨️ Hes talkin bout rectal thermometers, lmao

[ronpartain](#) 🗨️ 🗨️ lol

[ronpartain](#) 🗨️ 🗨️ I know

[ronpartain](#) 🗨️ 🗨️ I was dying

[Collinwood01](#) 🗨️ Sorry, only enough room for one Switzerland in the world.

[ronpartain](#) 🗨️ 🗨️ and they arent very neutral

[Collinwood01](#) 🗨️ ^

[Becklenay](#) 🗨️ I was bashed in the eighties for saying that if my grandparents had stayed in Germany and Ireland, that I would be freer. They have no clue how long our 'leadership' have enslaved us.

[The8thChild](#) The West has become Communists

[Becklenay](#) 🗨️ @8 they always were.

[Becklenay](#) 🗨️ They just maked it with pretty words.

UH

[ronpartain](#) you still there sling?

[Collinwood01](#) I think many have known what were currently speaking about and whats happening is to bring this knowledge to the forefront for ALL to speak about publicly. Conspiracy theory is old hat. Truth isnt

[Becklenay](#) For clarification - the patriots that created our Constitution fought 'The West'

UH

[ronpartain](#) they fought evil

[The8thChild](#) Not always Communist until the generation of Lincoln, Marx and Darwin

UH

[ronpartain](#) ugh... Lincoln

[The8thChild](#) All ten planks of Communism instituted in the US for over 100 years

UH

[ronpartain](#) you make my BP rise

[Becklenay](#) The West is evil. They try to control people for their benefit. They destroy any country that tries to stand up to them.

UH

[ronpartain](#) I dont think we have all 10, but we certainly have about 8

[Becklenay](#) "The West" is the deep state.

[The8thChild](#) Zelensky the Obama of Ukraine

[The8thChild](#) Western people have been captured by evil leaders

[Slingshot1987](#) It is information

[Becklenay](#) It is good info! Ron - we need this.

[The8thChild](#) You're doing well

[Collinwood01](#) Conscription is one of the reasons our founding fathers rebelled. Forced military service. Now we have a nicer phrase called the draft or sorry, selective service. Conscription still exists

[The8thChild](#) Up to you

[schrockeric](#) 1

[Slingshot1987](#) Its your show

[Slingshot1987](#) 1

[Becklenay](#) 🗣️ Up to you. I trust your judgement.

[Ninidee](#) Whatever you want to do, it's your show!!! 😊

[Attic23](#) I like the G Edward Griffin on this channel for normies. Quigly Formula

[The8thChild](#) Election fraud is the key issue

[Wynters65](#) ■ ■ "If we get to 2024" he said

[Becklenay](#) ■ Everyone should write in one slot on their ballot. Force a hand count.

[The8thChild](#) Big Mike=nightmare

[Wynters65](#) ■ ■ I do not think we will either

[Collinwood01](#) ■ Wth makes big mike think he can run the world? Because his wife did? GTF0H

[The8thChild](#) Poly-crisis coming. pandemic, violence, open borders, alien invasion, inflation, weak military,

[Collinwood01](#) ■ ^

[Attic23](#) Dems being outrageous like a script of nonsense word tricks. being guided

[Collinwood01](#) ■ Biden should step for his nasal problem, always sniffin kids

[The8thChild](#) Military is now all Woke

[Wynters65](#) ■ ■ Not all the military has gone woke

[Attic23](#) Kim Iverson doing a Israel lobbyist ep.

[Collinwood01](#) ■ Not ALL 8th

[Slingshot1987](#) Correct

[Attic23](#) yeah the real guys

[Attic23](#) but Martial law is close to communism

[Becklenay](#)  [@8](#) They are not ALL woke. They just said that the trans are medical exempt.

[The8thChild](#) Are we being set up for a dictator?

[Slingshot1987](#) They all took an oath

[Slingshot1987](#) Right

[Collinwood01](#)  That is a good question 8th? Its plausible

[Wynters65](#)   Martial Law may be necessary with riots and people's lives are at stake, It has it's place.

[Attic23](#) we can shoot abd live off land for awhile

[Becklenay](#)  [@Ron](#) - tell people what a medical exemption menas.

[Collinwood01](#)  He ended up a dictator but played the Im for the Germans card to earn trust

[Collinwood01](#)  NO! No dictators

[Candyinky](#) As much as I loved trump as president that is an absolute NO!

[Attic23](#) currency

[Collinwood01](#)  yep, no interest and no porn

[Attic23](#) there was porn? lol

[Candyinky](#) its getting close to a point of no return imo

[The8thChild](#) Many parallels how they set-up Hitler and how they set-up Putin

[The8thChild](#) Germans were fighting Communism, a very real threat.

[Becklenay](#)  Created an economy that benefited the people of Germany. He had good plans for the people of Germany - but was willing to do really bad things to get those ends.

[jenniesgreenhouse](#) When Trump gets back in i would like to see him put jfk jr into Fouchi position.

[Collinwood01](#) Maybe were goin through the same thing now Beck. The absurdity of whats happening may bring things to a better place. You cant tell the people, You must show them

[Candyinky](#) jfk jr is dead isnt he ?

[Becklenay](#)  [@Jennie](#) - he wanted JFK, Jr on that team. He was shut down.

[Becklenay](#)  Rfk

[schrockeric](#) NO

[jenniesgreenhouse](#) Bummer

[schrockeric](#) He didn't

[schrockeric](#) why not???

[schrockeric](#) every single time

[Attic23](#) this is the best movement of goodguys I've seen. Bcuz it's effecting norms directly. and podcasts etc

[jenniesgreenhouse](#) Yes RFK Jr

[Collinwood01](#)  Hitler bad! but Stalin is never mentioned?

[schrockeric](#) Stalin should be the "villian" they have made Hitler out to be

[PatriotDave111](#) Ronpartain the history channel might as well be called the Hitler channel

[Collinwood01](#)  Where did Hitler get his financing an infrastructure?

[Collinwood01](#)  Deepstate bankers?

[Becklenay](#)  [@Ron](#) - not going by movies. Going by my grandparents cousins still there during Hitler. He authorized experiments on th humans.

[schrockeric](#) Gold backed currency..instead of Central banks

[Slingshot1987](#) Money

[schrockeric](#) Yep...

[schrockeric](#) Leaders murdered

[Attic23](#) CIA

[The8thChild](#) Agree. One movie on USSR 1917 revolution "Sunstroke" shows the far worse

[Collinwood01](#)  We gotta get away from the idea that only 1 person is responsible for atrocities. We gotta get away from the idea I was just doin my job. All should be accountable

[Becklenay](#)  Two wrongs don't make a right.

[Becklenay](#)  But three lefts do, LOL

[Ninidee](#) The old saying is, the "winner" writes the history. I find it very suspicious that all we here is how bad Hitler was...Was he really an "evil dictator" or was he a puppet of others? Just a thought..

[Wynters65](#)  🙄 We have to understand we have been lied to about a great deal... facts have been shifted to fit narratives in history for a long time.

[PatriotDave111](#) Hitler does have a huge information campaign against him for some reason

[Attic23](#) naive to evil Ironically

[Wynters65](#)   Hello PatriotDave nice to see you

[Attic23](#) Trump flood vote

[Collinwood01](#)  The idea that Jesus was absolutely tolerant is a fallacy. For examples: He overturned tables in the temple and exposed the religious elite for their hypocrisy.

[Slingshot1987](#) Right

[Attic23](#) angry Jesus I say

[Slingshot1987](#) Laugh

[The8thChild](#) What do you do when Godless, blood-thirsty people are out to destroy you? Always ends in violence.

[schrockeric](#) You shoot em

[Slingshot1987](#) You fight back

[Attic23](#) yeah at least Hollywood has that right lol

[Collinwood01](#)  I dont advocate violence but some times you gotta speak the language of a bully in order for the bully to go away

[schrockeric](#) Trump is Israel's greatest asset and the Left's greatest asset as well....he unifies those morons like no other ever has

[The8thChild](#) WWI & WWII Christians fighting Christians. WWII Eastern Europe GIVEN to Communists

[Slingshot1987](#) The clot shot is a bigger secret than you know.

[Slingshot1987](#) It was definitely preplanned

[Attic23](#) more stuff coming out?

[Collinwood01](#)  I dont care about modern european states, I care about the united States

[Attic23](#) Rand Paul office burned

[Slingshot1987](#) You will know the truth.

[The8thChild](#) Stick to the Constitution IF we enforce it.

[Slingshot1987](#) Whether you accept it up to you.

[Ninidee](#) The Constitution is like the Bible, valid for all times...

[Becklenay](#)  AGREED!

[Collinwood01](#)  YES! You go boy!

[Slingshot1987](#) Agree

[Slingshot1987](#) That is the plan

[Wynters65](#)   If they actually followed it the way it was written

[Attic23](#) Jefferson style

[Slingshot1987](#) We will be going by the constitution

[Becklenay](#) 🗣️ The states were bought off - federal funds in exchange for there rights.

[The8thChild](#) We The People, collectively, are supposed to enforce the Constitution

[Collinwood01](#) 🗣️ You hear trust the plan. I say the bibles a plan I trust, the Constitution is a plan Id like to see implemented!

[Attic23](#) we have fix it and guard it daily with interaction

[Slingshot1987](#) It is the priciple of the project

[Becklenay](#) 🗣️ Our founders did not want a democracy

[Slingshot1987](#) Well GOD is first

[The8thChild](#) Collinwood: yes!

[jenniesgreenhouse](#) Congress did not get paid when we first started. They got perdeium

[Collinwood01](#) 🗣️ Agreed were a Republic

[Wynters65](#) 🗣️ 🗣️ The government has spent more time attempting to change the Constitution than actually trying to follow it... We must ask ourselves why.

[The8thChild](#) Good show

[Becklenay](#) 🗣️ You did fine! We love you.

[Collinwood01](#) 🗣️ I liked it Ron, It was organic. Great deprogram

[Slingshot1987](#) You worry too much
