

Derek's Joke

Levels Of Stress!!!

You pick up a hitchhiker... A beautiful girl.

*Suddenly she faints inside your car and
you take her to the hospital.*

Now that's stressful.

*But at the hospital, they say she is pregnant and
congratulate you that you're going to be a father.*

You say that you are not the father, but the girl says you are.

This is getting very stressful!

You request a DNA test to prove that you are not the father.

After the tests are completed,

The doctor says the test shows you're infertile,

And probably have been since birth.

You're extremely stressed but relieved.

On your way back home, you think about your 5 kids at home.

NOW THAT'S STRESS!!

Bill's Joke

At Sunday church the local Vicar explains that he must move on to a larger congregation that will pay him more.

There is a hush within the congregation.

No one wants him to leave because he is so popular.

Fred Smith, who owns several car dealerships in Glasgow, stands up and proclaims:

'If the Vicar stays, I will provide him with a new Mercedes every year and his wife with a Volkswagen mini-van to transport their children!'

The congregation sighs in appreciation and applauds.

Sam Brown, a successful entrepreneur stands and says 'If the Vicar will stay on here, I'll personally double his salary and establish a foundation to guarantee private secondary school education for all of his children!'

More sighs and loud applause.

Agnes Jones, age 88, stands and announces with a smile, 'If the Vicar stays, I will give him free sex.'

There is total silence.

The Preacher, blushing, asks her:

'Mrs. Jones, you're a wonderful and holy lady, whatever possessed you to say that?'

Agnes's 90-year old husband, Joe, is now trying to hide, holding his forehead with the palm of his hand and shaking his head from side to side, while his wife replies:

'Well, I just asked my husband how we could help, and he said, 'Fuck him.'
