

Privacy Policy

last updated May 11, 2020

This Privacy Policy explains how Meditation and Sleep LLC ("Company", "we" or "us") collects, uses, and discloses information about you when you access or use our websites, mobile application, and other online products and services (collectively, the "Services"), and when you contact our customer service team, engage with us on social media, or otherwise interact with us.

We may change this Privacy Policy from time to time. If we make changes, we will notify you by revising the date at the top of the policy and, in some cases, we may provide you with additional notice (such as adding a statement to our website homepage or sending you a notification). We encourage you to review the Privacy Policy whenever you access the Services or otherwise interact with us to stay informed about our information practices and the choices available to you.

Collection of Information

Information You Provide to Us

We do not ask you any information about you and do not collect it.

Other Information About Your Use of the Services

When you use our Services, we collect the following information about you:

- **Usage Information:** Whenever you use our Services, we collect usage information, such as the game types you use, what screens or features you access, and other similar types of usage information.
- **Transactional Information:** When you make a purchase or return, we collect information about the transaction, such as product description, price, subscription or free trial expiration date, and time and date of the transaction.
- **Log Information:** We collect standard log files when you use our Services, which include the type of web browser you use, app version, access times and dates, pages viewed, your IP address, and the page you visited before navigating to our websites.
- **Device Information:** We collect information about the computer or mobile device you use to access our Services, including the hardware model, operating system and version, device identifiers set by your device operating system, and mobile network information (like your connection type, carrier and region).
- **Information we Generate:** We generate some information about you based on other information we have collected. For example, like most platforms, we use your IP address

to derive the approximate location of your device. We also use your first name to make an educated guess about your gender and use information about your activity to help determine the likelihood of you continuing to use our Services in the future (which we hope will be the case!).

- **Information Collected by Cookies and Similar Tracking Technologies:** We use different technologies to collect information, including cookies.

Information We Collect from Other Sources

We also obtain information about you from other sources, including transaction information from third-party app stores you use to install our app or purchase a subscription and name and contact information from third-party calendar services.

Use of Information

We use the information we collect to:

- Provide, maintain and improve our Services, and develop new products and service;
- Process transactions and fulfill orders;
- Send you transactional or relationship messages, such as receipts, account notifications, customer service responses, and other administrative messages;
- Communicate with you about products, services, and events offered by Company and others, request feedback,

and send news, gifts or other information we think will be of interest to you;

- Monitor and analyze trends, usage, and activities in connection with our Services;
- Detect, investigate and prevent fraudulent transactions and other illegal activities and protect the rights and property of Company and others;
- Comply with the law, such as by processing transactional records for tax filings;
- Personalize your online experience and the advertisements you see on other platforms based on your preferences, interests, and browsing behavior; and
- Facilitate contests, sweepstakes, and promotions and process and deliver entries and rewards.

Sharing of Information

We share information about you as follows and as otherwise described in this Privacy Policy:

- With companies and contractors that perform services for us, including email service providers, payment processors, fraud prevention vendors and other service providers;
- In response to a request for information if we believe disclosure is in accordance with, or required by, any applicable law or legal process, including lawful requests by public authorities to meet national security or law enforcement requirements;

- If we believe your actions are inconsistent with our user agreements or policies, if we believe you have violated the law, or to protect the rights, property, and safety of Company or others;
- In connection with, or during negotiations of, any merger, sale of company assets, financing or acquisition of all or a portion of our business by another company;
- Between and among Company and our current and future parents, affiliates, subsidiaries, and other companies under common control and ownership; and
- With your consent or at your direction. For instance, you may choose to share actions you take on our Services with third-party social media services via the integrated tools we provide via our Services.

We also share aggregated or other information not subject to obligations under the data protection laws of your jurisdiction with third parties. For example, we sometimes share aggregate information with research organizations to help facilitate their research.

Advertising and Analytics Services Provided by Others

We allow others to provide analytics services and serve advertisements on our behalf across the web and in mobile applications. These entities use cookies, web beacons, device

identifiers and other technologies to collect information about your use of the Services and other websites and online services, including your IP address, device identifiers, web browser, mobile network information, pages viewed, time spent on pages or in apps, links clicked, and conversion information. This information may be used by Company and others to, among other things, analyze and track data, determine the popularity of certain content, deliver advertising and content targeted to your interests on our Services and other websites and online services, and better understand your online activity. For more information about interest-based ads, or to opt out of having your web browsing information used for behavioral advertising purposes, please visit www.aboutads.info/choices. If you are in the EU, please visit www.youronlinechoices.eu. Your device may also include a feature ("Limit Ad Tracking" on iOS or "Opt Out of Interest-Based Ads" or "Opt Out of Ads Personalization" on Android) that allows you to opt out of having certain information collected through apps used for behavioral advertising purposes.

Data Transfer

Company is based in the Russian Federation and processes information in the Russian Federation, which may not provide equivalent levels of data protection as your home jurisdiction.

Your Choices

Account Information

You may update certain account information you provide to us (such as your password, name and email address) by logging into your account or contacting us through our Help Center at vbudruev@gmail.com. If you wish to disable your account, please contact us, but note that we retain certain information when required or permitted by law. We also retain cached or archived copies of information about you for a certain period of time.

Promotional Communications

You may opt out of receiving promotional emails from Company by following the instructions in those emails or by logging into your account. If you opt out, we may still send you non-promotional emails, such as those about your account or our ongoing business relations.

Mobile Push Notifications/Alerts

With your consent, we send promotional and other push notifications to your mobile device. You can deactivate these messages at any time by changing the notification settings on your mobile device.
