

**Tahoma School District**  
**Comprehensive School Counseling Program**  
**Mission and Vision**

The mission of our Tahoma School District Comprehensive School Counseling Programs are to empower all students toward self-advocacy and growth mindset around social/emotional, academic and career outcomes.

The vision of our Tahoma School District Comprehensive School Counseling Programs are to instill confidence in students to use their skills and abilities to make choices for achieving social/emotional, academic and career goals. In doing so, they will be compassionate citizens and lifelong learners through the collaborative efforts of school, families, and community.
