

**Mountain View Educational Foundation (MVEF) welcomes  
Valerie Duncker as new Lead Executive Director**

Mountain View, CA - The Mountain View Educational Foundation (MVEF), a nonprofit organization dedicated to enhancing the educational experience of all students in the Mountain View Whisman School District (MVWSD), is pleased to announce the appointment of Valerie Duncker as its new Lead Executive Director. Valerie will drive the organization's strategic direction, fundraising efforts, community engagement and lead the volunteer board, in partnership with the current Executive Director Dena Seki who will focus on operations.

"We are thrilled to welcome Valerie to MVEF," said Dwight Rodgers, MVEF Board President. "Her experience in leadership, fundraising, and nonprofit engagement, coupled with her demonstrated commitment to education, make her a great fit for advancing MVEF's mission. Her engagement in multiple schools and the community plus her collaborative spirit and her experience serving nonprofits in marketing, communication, fundraising and leadership roles, will be a great asset to our schools and community."

Valerie holds an MBA and brings over 15 years of experience in program management in Marketing, Communications & Operations. Her previous roles include leading global projects for Amazon organizing the go-to market strategy for the launch of a new app, and developing the branding strategy for a new team as well as organizing trade shows and events for a VC-backed Silicon Valley tech startup, and overseeing large-scale initiatives for a European aircraft manufacturer. Additionally, Valerie has demonstrated her commitment to community service through her involvement with charity nonprofits, including co-leading the All League Retreat for the National Charity League.

"MVEF has had an incredible impact on all MVWSD students and schools over the years," said Valerie. "I look forward to developing relationships with the board, district community and all volunteers as we continue to evolve MVEF and look for ways to deepen that impact."
