26-27 Suggested Supply List

FPS 7-12 BAG POLICY: All backpacks (and coats) must be stored in lockers upon arrival. This decision is based on safety concerns and is supported by feedback from recent school safety surveys completed by students, staff, and families. Students may carry small shoulder bags or belt bags the size of a hand (e.g., for personal hygiene items) and, if necessary, clear backpacks that are either medically required or approved by administration. Clear drawstring backpacks will be available for purchase (\$5) for students who qualify under these exceptions.
