Uniform update- color swatch for colorguard- soon to be ordered. Instrumentalists- closer to quotes for 2 different companies. District reviews quotes. About 60 days away from ordering. Money has been budgeted. Band Trailer- why don't we have a band trailer/u-haul. We need someone that can drive/pull the trailer and directors do not want to burden the parents. Ideally it would be great, but until we have someone set in stone who can pull the trailer, it will not happen.
