

Hey Gs, this is a sketch template of a free value outreach, planning to send it to supplement brands, your critical suggestions are much appreciated.

SL: Hey (Name)...

Yo {Name},

I've used a weird trick to find your email, and.. Oh.. My.. God.. did it take forever. I have a question for you. (๐_๐)

I noticed that {Pain Point}, so I went ahead and wrote down on a google document more than 5 weak points I spotted, and how to improve upon them.

Would you like me to send it over for you to check out? I can guarantee you it will (xyz).
