

[Group members names]

Class Period, Date

Algae Experiment

Guiding Question

[Type question here]

Hypothesis

[Type hypothesis here]

Materials

- list
- materials
- here

Procedure

1. Record
2. steps
3. here

Data - Qualitative

[add pictures]

[Group members names]

Class Period, Date

Data - Quantitative Data

Day	Light amount Group A	Light amount Group B
0		
1		
2		
3		
4		
5		
6		
7		
8		

Analysis

[add your final graph]

Conclusion

[Type final conclusion here]
