For those who carve the gnarliest wave and still want more. Whose arms go numb from paddling day, but still reach for that perfect ride. Meet your newest wave. Introducing Virgin Galactic. We're a company who understands what you want and we're gonna give it to you. That's why Virgin Galactic is the first and only company to open space travel to the public. Try out a rad new experience that will make your local beach's sickest sets look like mushburgers. Check out virgingalactic.com to find out how to unleash your inner astronaut.

When you're on the green, but your head's in the clouds—that's your inner astronaut telling you it's time for something bigger. We believe everyone has the right to explore the unknown. The result? The very first company to allow you to experience your inner astronaut. Don't believe us? Check out virgingalactic.com to find all the details on how you can be a part of something bigger.

You've heard of 0 to 60…what about 60 to 0? Introducing Virgin Galactic: a new way to thrill seek, in zero gravity. Sounds incredible? Virgin Galactic is officially opening space travel to the public. That's because we believe in giving everyone the opportunity to experience their inner astronaut. Check out virgingalactic.com to see how you can take the leap today.

When the heat bounces off the pavement and reflects off your wheels. When a bead of sweat rolls down your nose, and you still can’t stop. When you know you’re going hard but you still want more. Virgin Galactic has you covered. Be a part of the first public space travel. Experience more. Go to virgingalactic.com to find out how.

Voice1: Alright, I booked the tickets! Cabo here we come!

Voice2: Oh...Cabo again?

Voice1: We always have such a good time when we go--

Astronaut: Excuse me.

[voice overlap]

Voice2: *Oh!*

Voice1: *Who are you?*

Astronaut: I'm..your inner astronaut.

Voice1: My...my what?

Astronaut: Your...your astronaut...for the commercial?

Voice2: What?

Astronaut: It's a metaphor.

Voice1: A what?

Astronaut: A metaphor, don't you know what a metaphor is?

Voice2: I'm confused...how did you get into our house?

Astronaut: Look, we only have 45 seconds here, you've already wasted too much time. I have to skip ahead. Let me just...

[paper rustling]

Astronaut: Here. **[clears throat]** Need a vacation that's more than just a great experience?

Voice1 and Voice 2: ...yeah…

Astronaut: Then check out virgingalactic.com to find out how to unleash your inner astronaut!

Voice1: Wait, Virgin Galactic is offering space travel to the public?

Astronaut: Yeah! Just go to virgingalactic.com---

Announcer: Virgin Galactic. More than just travel.
