

Home discipleship for ages 3-5

Hi parents! This week at Sunday school, we learned about the parable of the Good Samaritan! The main teaching point of the lesson was as follows:

The second greatest commandment in the whole Bible is to love our neighbors as ourselves. God wants us to care about the people around us as much as we care about ourselves. So, if you see someone who needs help, you should ask, how would you feel if you were that person? And if you were in trouble, how would you want someone to help you? God wants us to help the people around us the same way that we would want to be helped.

Our memory verse was as follows:

Mark 12:31b (ICB). The second most important command is this: 'Love your neighbor as you love yourself.'

Parents, we encourage you to continue talking about this lesson throughout the week.
