

I'm Feeling Lucky - A Google Earth Discovery Activity

Richard Byrne - PracticalEdTech.com

Directions: Having trouble finding/choosing a location for DS6 “The Best Place” or DS7&8 “...On Location?” Use this sheet to record facts about a randomly-selected place (“I’m Feeling Lucky” button in Google Earth). Once you’ve found one that you like, answer the questions below about that place.

For your own copy, go to the file menu and choose “Make a copy.”

Questions:

1. What is the name of the new-to-you place that you’ve found?

2. Where in the world is it located?

- Continent:
- Country:
- State/ Province:

3. Who lives there?

- What language is most commonly spoken there?
- What are the common religions practiced by people who live there?

4. Why would someone want to visit? Or why would someone not want to visit?

5. When (month of the year) is the coldest and warmest time of the year?
