

# INCF GSoC 2025 Contributor Application template

## Contact details

**Full name:**

**Email:**

**Neurostars ID:**

**Location (Country and city):**

**Webpage / Blog / Microblog / Portfolio** (please give at least one):

## Project details

### **Project synopsis / summary**

*What is the project about? Why is it important? (approx 150-300 characters)*

### **Project in detail**

*How will you handle the project? Please give a detailed description of your planned approach.*

### **Project implementation and timeline**

- 1) Minimal set of deliverables (bullet point list)
- 2) Additional 'if time allows' deliverables (optional)
- 3) Detailed timeline; when will you do what? (per week or two-week period)

## **Your plan for communication with mentors**

*How, and how often, will you and the mentors keep in contact? (Via weekly video calls, via email, via chat...?)*

## **Candidate details**

*Please give a short summary of your past experience*

*Tell us your motivation - why do you want to do this project?*

*Match - tell us about something you've worked on in the past that would make you a good candidate for this project*

*You can apply for up to three projects. Is this the only project that you will apply for?*

*Working time - how many hours per week do you plan to work, and how will you divide your time?*

*Do you have any other plans for the work period (school work, another job, planned vacation)? If so, how do you plan to combine them with your work?*
