

Comics AI: Comix Generator

Privacy Policy

Last updated: March 27, 2026

Comics AI: Comix Generator is provided as a Freemium service. This SERVICE is provided at no cost and is intended for use as-is.

This Privacy Policy explains how we collect, use, and protect your information when you use our Service.

By using the Service, you agree to the collection and use of information in accordance with this Privacy Policy.

Important: Uploaded photos and generated images are NOT used to train, fine-tune, or improve any AI models.

Information We Process to Provide AI Features

When you use the app's AI generation features, you may provide:

- photos or images you upload
- text prompts or descriptions you enter

This data is collected only when you voluntarily provide it in the app and request AI generation.

How We Use This Data

We use this data solely to generate the comic or other AI-based visual result requested by you.

Third-Party AI Processing

To provide these features, the data you submit is transmitted to **OpenAI, L.L.C.**, a third-party AI service provider, for processing.

We do not use this data for:

- facial recognition
- biometric identification
- identity verification
- advertising
- tracking

Retention

Uploaded content is processed temporarily for the purpose of completing your request and is not stored by us longer than necessary to complete processing.

User Consent

Before any user content is sent for AI processing, the app explains what data will be sent, who it is sent to, and requests the user's permission.

2. Face Data Processing

The app may process user-uploaded images that contain a human face.

We do NOT perform:

- facial recognition
- biometric identification
- identity verification

The face data is used exclusively to generate AI-based visual content requested by the user (e.g., comic-style images).

Data Transmission:

User images are securely transmitted to our backend and to third-party AI providers, including:

- OpenAI, L.L.C.

Purpose:

The data is used strictly for real-time image generation and transformation.

Data Retention:

Uploaded images are processed temporarily and are NOT stored permanently.

All images are deleted immediately after processing is completed.

Data Sharing:

Face data is NOT shared with advertisers, analytics providers, or any unrelated third parties.

User Control:

Users voluntarily upload images and can delete their data at any time through the app.

3. Third-Party Services

The app uses third-party services strictly for analytics, diagnostics, and app performance monitoring.

User-uploaded images and facial data are:

- NOT used for advertising

- NOT used for tracking
 - NOT used for personalization
-

4. AI Service Providers

To enable AI features, we integrate trusted third-party providers:

- OpenAI, L.L.C.

Processing:

- Images are processed to generate visual outputs and transformations
- Text or optional input data may be used for content generation

Purpose:

- Used only to perform real-time AI tasks explicitly requested by the user

Data Handling:

- Data is transmitted securely
- Providers process data only for the requested task
- Providers are not permitted to use the data for advertising

Retention:

- Data is retained only for the duration necessary to complete processing
 - Data is deleted immediately after processing unless required by law
-

6. Cookies

This Service does not use cookies directly.

However, third-party libraries may use cookies to improve their services. You may choose to accept or refuse cookies via your device settings.

7. Service Providers

We may employ third-party companies and individuals to:

- Facilitate our Service
- Provide the Service on our behalf

- Perform Service-related tasks
- Analyze Service usage

These third parties have access to Personal Information only to perform assigned tasks and are obligated not to disclose or use it for any other purpose.

Apple Purchases:

By using our iOS apps and making in-app purchases, you consent to sharing usage and purchase consumption data with Apple to help resolve refund requests.

8. Security

We use commercially acceptable methods to protect your data.

However, no method of transmission or storage is 100% secure, and we cannot guarantee absolute security.

9. Children's Privacy

Comics AI: Comix Generator is not intended for children under 13.

We do not knowingly collect data from children under 13.
If such data is discovered, it will be promptly deleted.

10. Your Rights

You have the right to:

- Access your data
- Update your data
- Delete your data
