

# Bowie High School Student Parking Application

## 2023 - 2024

The student parking agreement is entered into by the below signed with the permission of the students parent/guardian. In accordance with AP 5139, parking permits are required to ensure a safe school environment, is a privilege, and may be revoked by the principal at the principal's discretion.

In consideration of permission to park a properly registered vehicle on the campus of Bowie High School, the student agrees to follow all parking regulations and ensure that his/her vehicle plays no part in a violation of any school rule or in enabling any student to violate any such rule or regulation. The below signed student acknowledges that any violation of this agreement will result in a revocation of his/her campus parking privileges and any penalties imposed under the Students Rights and Responsibilities.

1. Students who are issued and who are displaying parking permits may park their vehicles in an appropriate space within the East half of the parking area in front of the public library. Permits must be fully visible to the front of the vehicle. Only staff are permitted to park near the tennis courts, along the access road, or in the rear parking area near the baseball fields.
2. Operating your vehicle in a **reckless or negligent manner will result in the revocation of your parking privileges.** Negligent operation includes, but is not limited to, speeding, spinning tires, or cause noise moving the vehicle while any person is located upon the hood, fender trunk or roof and any operation that endangers any person property of the school
3. Once parked, **students may not return to their vehicle** (including during his/her lunch) during the school day without the express written permission of a school administrator. No teacher may grant such permission to a student.
4. The student and his/her parents acknowledge that he/she is aware that the Prince George's County Public Schools , its Board of Education, and Bowie High School does not assume any responsibility for damage or theft involving vehicles parked under this agreement .
5. All vehicles on Bowie High School property are subject to search at any time. The student acknowledges that he/she will be held personally responsible for any contraband discovered within the automobile, regardless of ownership of that contraband. Student operators will ensure that no weapons of any type, alcohol, tobacco products, and controlled dangerous substances (including vape) are stored in any parked vehicles which they may operate.
6. Parking permits are **NOT** transferable. Only persons issued a permit may operate a vehicle on school property and may only operate that vehicle identified on the form.

7. ***When you pick up your permit at the attendance office (half door), please bring a money order made payable to Bowie High School for \$20 is required per AP 5139 (you will be unable to pick up your permit until the money order is received)***

By entering this agreement, the student and the parent/guardian acknowledges that they understand this agreement and agree to comply with all provisions of it. The student and his/her parent/guardian acknowledge that ANY violation of this agreement may result in any of the below as deemed necessary by school security/administration/Bowie Police Department :
