African School Assistance Program

<http://www.africaschoolassistanceproject.org/>

**OUR MISSION**

Founded in 2008 in Denver, CO, the Africa School Assistance Project builds schools in rural East African villages and each summer leads groups of American volunteers to work on our school projects. Our projects meet rigorous standards for sustainability and we only approve projects deemed appropriate and ethical for local culture.

**WHAT WE HAVE ACCOMPLISHED**

Since we began in 2008, we have provided school to 850+ students with the help of 82 volunteers. We have built or contributed to the construction of:

- 2 primary schools with playing fields
- 1 secondary school expansion
- 16 classrooms
- rainwater capture systems + cisterns
- school kitchens & teachers housing
- boys and girls toilets
