

Landscaping Report for September meeting 2023

1. August 15th, TruGreen completed grass treatment (2nd time this years). JBK trimmed shrubs (2nd time this year) and trees. JBK trimmed blooming crape myrtle on lower circle again. Adrian was contacted and they suggested to put in the contract not to trim this myrtle again.
2. August 29th, JBK h performed aeration and overseeding (fall service). I made my rounds to make sure that all common areas were treated.
3. Met several arborists for inspection of community trees.
4. Contacted the City of Rockville concerning dying pine at the front entrance. It will be removed by the City within 4 weeks.
5. I adopted a tree on my circle.
