

Join the 2024-2026 Statewide Mural Recognition Program

Background

The Ohio Commission for the U.S. Semiquincentennial (also called America 250-Ohio) is preparing the state to participate in the country's 250th anniversary, culminating on July 4, 2026. America 250-Ohio is a multi-year commemoration where Ohioans from all 88 counties will spotlight Ohio's unique role in our nation's story.

A mural in your community may be a part of this story – help us highlight your unique community, artists, and artwork!

The goal for America 250-Ohio with the 2024-2026 Statewide Mural Recognition Program is to help drive tourism to your town so that together we can celebrate your public art murals! As an added bonus we can collectively honor, recognize, and highlight Ohio's indispensable contributions to our nation's past, present, and future through public works of art.

How You Can Take Part! Share Information and Be Featured by America 250-Ohio

We invite you to join the America 250-Ohio commemoration by sharing information about your mural! Does the mural highlight your city or town's history or culture, does it commemorate innovations and community pride, does the mural give a nod to a bright future? If you answered, 'yes,' we hope you'll take part in our 2024-2026 Statewide Mural Recognition Program.

Participating is easy – it's only two steps and takes two minutes!

Step #1 – Complete our form to request and display our logo. Follow the link below:

After you complete the Logo Request Form, later this summer we will send you electronic and vinyl versions of the America 250-Ohio logo to place on the corner of your mural (or on the building beside the mural with permission of the building owner).

Step #2 – Send a picture of your mural to donna.collins@oac.ohio.gov. Include the name of the mural in the email subject line.

Once the America 250-Ohio logo is posted, send a photo of the mural that includes the logo to Donna Collins, executive director of the Ohio Arts Council and public art co-chair of America 250-Ohio, at donna.collins@oac.ohio.gov. America 250-Ohio can then highlight your work in our updates, website, and social media. Use of the logo indicates that you are part of the state's historic investment and commemoration of the nation's 250th anniversary. If you have questions, feel free to email Donna directly.
