

Privacy Policy for Athar - أثر

Effective Date: January 19, 2026

At **Athar** (أثر), we value your privacy. This Privacy Policy explains how we handle your information when you use our mobile application.

1. Information Collection and Use

Athar is designed to work **offline** and respect your privacy:

- **Personal Data:** We do **not** collect, store, or transmit any personal identifiable information (such as your name, email, or phone number) to our servers.
- **Local Storage:** All your habit data, schedules, and progress are stored **locally** on your device using a secure local database (Hive). We do not have access to this data.
- **Notifications:** The app uses local system notifications to remind you of your habits. These are generated entirely on your device and do not involve any external tracking.

2. Third-Party Services

Our app may use the following third-party services that may collect information used to identify you:

- **Google Play Services:** Used for app distribution and performance monitoring.
- **Google Fonts:** Used to provide a consistent visual experience.

3. Permissions

The app may request the following permissions:

- **Notifications:** To send you reminders about your habits at the times you specify.
- **Storage/Media:** To ensure the local database functions correctly on your device.

4. Data Security

Since all your data stays on your device, the security of your data depends on your device's security. We recommend keeping your device updated and secured.

5. Children's Privacy

Our services do not address anyone under the age of 13. We do not knowingly collect personal identifiable information from children.

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes.
