

## Staff Needed for Spring Term 2024 International Sahaj School at Canajoharie

Seeking yogis and yoginis who have a desire to work towards fulfilling Shri Mataji's vision for Her children.

Living ashram-style in Shri Mataji's house on the beautiful, vibrated land of Canajoharie, staff members take turns leading meditations as well as weekend havans and pujas. Opportunities for growth and joy are limitless in the land of Shri Krishna, in the company of young realized souls.

### **Teachers:**

We seek teachers who can teach joyfully, integrating games, art and nature while helping students achieve their full academic potential as a community of learners. We are looking for 1 teacher leader who can support the principal in some of the administrative tasks, and 1 additional classroom teacher. Classes are around 8 students each: pre-k/lower kg and upper kg/1st grade. See below.

### **Dorm Staff:**

Education at the International Sahaj School is holistic. Every part of the day is part of the educational process. Aunties and uncles are therefore also teachers, helping the children build respect for self and others, as well as for the peaceful surrounding nature.

As primary caregivers for the children during the term, from morning wakeup through bedtime treatments, they look after every aspect of the children's care. Aunties and uncles take turns cooking the meals and looking after the ashram, supervising the children at playtime and helping with Sahaja activities. Those who have a skill to share are encouraged to teach weekend or afternoon classes.

### **Other support:**

If you are interested in coming primarily in a supporting role and love to cook, please let us know! If you would like to help with administrative tasks, cooking and vibrational support that is also an option.

Looking forward to hearing from you!  
With love from all on the Canajoharie school team

### **More Information:**
