Dear Parent/Guardian of: _____

Your child's teacher has been provided with additional strategies and interventions to support the promotion of positive behaviors and prosocial interactions among adults and peers within the classroom. The positive behavioral intervention and support will be utilized to promote the social and emotional wellbeing of your child as he/she participates in daily activities and routines.

For continued support of your family and the classroom teacher in establishing and maintaining a positive climate within your child's classroom, the Intervention and Development team of Brightside Academy is available at intervention@bsaece.com. Please refer to the attached letter of introduction. We look forward to our continued partnership during this school year.

Sincerely,
