Online Geometry Appeal Form, Summer 2026

This form is for students who want to take summer online geometry through Imagine Edgenuity (register through Summer at Saint Francis). Please complete and turn this form into your counselor before April 1st to be considered for summer online Geometry. You may contact rachelsafier@sfhs.com if you have any questions. This option is strongly discouraged and will only be approved for select students given the circumstances, overall performance in classes, and other factors.

Your Name: _____

Current Math Teacher: _____ (omit if a rising 9th grader)

Current Counselor: _____ (omit if a rising 9th grader)

Current Math Class:

(circle) Algebra 1 | Algebra 1H | Algebra 1A-1B | 8th grade math _____

Semester 1 Grade: _____ | Semester 2 Grade: _____

For rising 9th graders: HSPT Math Score _____/100

The Summer at Saint Francis attendance policy states that you may miss only 1 day per semester of the Summer Geometry class. The online [Imagine Edgenuity](#) Geometry course has a required in person proctored final exam which is worth 30%. The online Imagine Edgenuity Geometry course is only approved for select students with certain circumstances. Students need to take both Geometry A and Geometry B for a full year's worth of credit.

If you are a rising 9th grader, please register for the recommended course from your qualifying exam scores for 2026-27, even if you intend to take summer Geometry online or in person.

The in person proctored final exam dates are: **June 22 & July 13, 2026**

Will you be able to attend both of those dates in person at Saint Francis? (circle) **Yes | No**

Which in person Geometry class are you **not** able to attend? (circle below)

Semester 1 June 8-June 25 | Semester 2 June 29-July 16 | Both Semesters

Brothers of Holy Cross

Which dates are you **not** able to attend the in person Geometry class? _____

Please explain why you are not able to take the in person Geometry class.

Taking an online course requires you to learn independently via video, quizzes, and projects. It is tempting to look up answers rather than learn and apply the material without outside resources.

How will you work with the online teacher, use the videos, take notes, and apply your knowledge when taking quizzes and tests, without outside assistance?

Student signature: _____

I agree that I can be present for the in person proctored final June 22 & July 13. I know taking an online class will challenge me to learn independently. I also understand that my proctored in person final exam for each semester will be 30% of my grade.

Guardian signature: _____

I approve of my student taking an online class and agree with the above form that they have filled out.

Counselor signature: _____ (omit if a rising 9th grader)

Counselors, please put this completed form in Ms. Safier's box.
