

We can use some help during centers 9:00-10:30 and during lunch for :helping kids settle at the tables, open their packages and clean up by washing tables and sweeping the floors under our tables. If you can sign up for specific dates or specific day of the week add your name to the chart below. Top name in each square is for centers, bottom name for lunch helper. **It's hard to predict changes to schedule now but we will have special events that will alter needs as the year progresses. I'll do my best to let you know in advance.**
