New term added: Article VI, #1 — Regarding a Lorekeeper account being needed to own a Glider or Keeper design.
New term added: Article VI, #3, item A — Regarding using personal art to increase resale value.

Users (defined as those who own or plan to own characters or designs as part of the Shores of Lysia ARPG, and participate in the Community and Site) agree to follow the Terms of Service presented here. Their right to the designs remain intact as long as this Agreement is respected and followed. Breaching this Agreement may lead to account suspension, as well as blacklisting from the community and ARPG elements of Shores of Lysia.

I. GENERAL

1. **You must be 16 years old to register on the site, and 18 years old participate in the chatting portion of our Discord server.** Members caught faking their age will have their account frozen until they are 16 years old, and will be removed from the Discord server.
    A. **Do not impersonate anyone or provide inaccurate information.** You are not required — nor advised — to share any personal information, besides your age, to participate in our community. Users caught impersonating another user, however, will be banned.
    B. Users younger than 18 and older than 16 years old may join our Discord server to follow specific, open-for-all channels, such as Announcements, Site Sales (see Payment Terms below), Current Events and Raffles. Those users can also access Rules and Guidelines, Directory, Role Selection, Staff and Introductions channels. Minors will not gain access to other channels within our Discord server.
2. **Be kind and respectful of others.** We are a LGBTQ+ friendly community, and do not tolerate racism, sexism or any form of hate speech towards individuals or groups of individuals. Remember most people are strangers and have their own boundaries. **If asked to drop a topic, please drop the topic**.
3. **Mini-modding is prohibited.** This includes:

A. Attempting to control what content other Users post;
B. Issuing warnings to other Users;
C. Affirming to a User they are breaking our ToS;
D. Threatening to report a User, or telling a User they have been reported;
E. Telling a Staff member how they should moderate;
F. Trying to bribe a Staff member to take action against another User;
G. Discussing moderating decisions;
H. Discussing other Users' punishments.

4. **Do not harass anyone.** Repeatedly tagging a person/role, begging and whining, unwanted criticism, as well as guilt-tripping or overall pressuring someone for their character, free art, etc., will lead to a warning. Personal disputes should be kept private. If there's any issue with a user you think might be important to address to staff, send a report on lorekeeper or create a ticket on #Ticket-desk channel on Discord to contact a moderator privately.
5. **Please keep personal sensitive topics out of the site and be mindful not to overshare.** While we want to help out as much as possible, staff and server members are unfortunately not qualified to handle such topics; additionally, it could be triggering for some users, and we strive to keep this community as a safe space for all. We deeply encourage you to seek professional help if you are having a hard time.
6. **Do not spam.** Keep in mind typing quirks, such as all caps or substituting letters for other symbols, may be difficult for some users to read and engage with. If asked to stop, please do so.
7. Art and literature pieces, as well as any photo or conversation topic, that includes sensitive content must be spoilered and tagged as such (for example: a simple "tw/trigger warning: blood" tag would be enough!).

8. **Sexual NSFW imagery or in-depth discussion is strictly forbidden.** Repeat offense of this rule will result in warnings or a ban.
9. **All submissions must be your own work.**
    A. **Artificial Intelligence (AI) content is not allowed and not tolerated.** Users caught submitting AI work will be warned once. The submitted AI piece will be deleted and any rewards given will be removed from the account. If caught a second time, the user will be banned.
    B. Work submitted to the gallery, either for in-game currency or not for in-game currency, must be the user's own work. **Photography may be uploaded given the photo is owned by the user and is not a stock image**, regardless of whether or not the image is free to use. This includes images for literature thumbnails.
    C. **Photobashing and the use of stamp brushes are allowed in small amounts**, given the work is legally distinct from the original piece(s) used in the resulting image.
10. **Shores of Lysia Staff only recognizes the Shores of Lysia Discord server, this Lorekeeper, and the Shores of Lysia Toyhou.se world as official.** We are not responsible for the actions taken by users on any unofficial platform or in any unofficial, member-driven community spaces, and thus have no responsibility to moderate these channels. Please use your own discretion when engaging with or contributing to these communities.

A. If you recognize genuinely harmful behaviour from members who actively participate in our official spaces, that infringes upon the safety of the community and breaks clauses of our ToS, you can create a ticket to inform us. Action will be taken if it falls under our jurisdiction and reports are handled on a case-by-case basis.

11. **The selling of items and currency obtained through site gameplay for real world currency is strictly prohibited.** Shores of Lysia's items and currency do not hold any real world monetary value. The only exception to this are items bought with Star Fragments. Items have a one Star Fragment = one American Dollars (USD) conversion rate and cannot be resold for more than their equivalent price in Star Fragments.
12. **Discussion of the trade or resale of a glider whose ownership has yet to be claimed or confirmed is prohibited**. Harrassment towards others during sale events such as gachas or advents will result in a strike.
13. Please submit a report or use #ticket-desk on Discord if there's anything concerning that needs to be reported.

II. ACCOUNT

1. To register on the Site, Users will be asked to provide:
    A. A unique username;
    B. A valid email address;
    C. A new password;

D. A Toyhou.se account linked under "aliases".

2. The chosen username for your Shores of Lysia account cannot be vulgar, offensive, hateful, obscene, defamatory, or unlawful at the discretion of the Shores of Lysia Staff. Usernames that contain such language may be modified or have the account associated with them banned.
3. **You MAY NOT create more than one account.** There is a limit of 1 activated account per person.

III. ACCOUNT TERMINATION

III.I TERMINATION BY YOU

1. The User may stop using the Services at any time. You may request to terminate your account by contacting Staff with a support ticket.
2. Accounts terminated by Users can be recreated at a later date, but no in-game currency or game item from the past account will be transferred.

III.II TERMINATION BY SHORES OF LYSIA staff

1. Shores of Lysia reserves the right to suspend or terminate a User's account if (A) the User partakes in illegal activities within the Site and Community; (B) the User repeatedly breach these Terms of Service; (C) Staff has deemed a User unsafe or disruptive (for their conduct that create or could create liability or harm to other Users, or to the Site); or (D) we are required to do so to comply with a legal requirement or a court order.

2. Accounts terminated by Staff cannot be recreated and the User may not rejoin the community.

IV. PAYMENTS

1. **For any monetary transactions made within our community, Users agree that they are 18 or older, or agree to provide proof or permission from their legal guardians.**
    A. Shores of Lysia Staff does not solicit nor have access to User's personal documentation to verify their age, and thus has no liability for any monetary transactions performed by minors who have faked their age upon registration within our Community and Site.
2. **Purchases are final and non-refundable.** Any form of unfair chargeback will result in an immediate ban.
3. Once contacted, the payment must be done **in USD via Paypal** and **within 48 hours**. If, for whatever reason, the payment cannot be done within 48 hours, communicate staff as soon as possible.
4. Users can inquire Guest Artists about payment plans, and Guest Artists are free to decide on the terms for the payment plan.
    A. **Only auctions are entitled for payment plans.** Flat sales and gachas cannot be paid with payment plans.
    B. Auction posts will be updated to reflect if payment plans are accepted by the Guest Artist.
    C. **All bids made with payment plan option MUST state they are part of a payment plan.** Example: $300 with payment plan. This is in order to keep

bidding fair to all players, including those that have not personally reached out to Guest Artists.

D. **Characters will NOT be transferred from Midnight's (Admin) account to the User's account until the payment has been transferred in full.** This is non-negotiable. The character is merely being held for the winning buyer, and ownership is not transferred until the agreement has been honored.

E. **Users with pending payment plans <u>CANNOT</u> purchase another adoptable design until the payment plan has been completed.** Flat sale claims made by Users with unfinished payment plans will be disregarded. **<u>Users with unfinished payment plans that bid during auctions will receive a reminder and should cease bidding immediately</u>** to prevent confusion for other bidders. Repeated offense will lead to a warning and a strike.

5. If acquiring a MYO of any kind, you are aware and agree to the designing, redesigning, reselling and trading terms and limitations.
6. **ARPG items that were acquired through in-game currency and trading may not be resold for real life currency.**
7. Staff and artists reserve the right to deny a sale for whatever reason.
8. **Editing bid and claim comments during an auction or sale on the site is strictly prohibited. Comments that are edited are considered void and illegitimate.** Additionally, please avoid conversing in the sale threads to keep the chain clear.

V. Premium Virtual Currency Purchases

Shores of Lysia ARPG offers five main in-game currencies: “Gold”, “Silver Tokens”, “Guild Prestige” and “Gooblets” are solely obtained in-game through gameplay and / or trade. “Star Fragments” are a premium currency that can be purchased for real life currency (USD) and can be resold or transferred between Users.

1. Users are able to purchase the virtual, in-game premium currency, “Star Fragments" for American Dollars (USD). All sales are handled through Ko-fi, via Paypal.
    A. The official Star Fragment to USD convertion rate recognized by Shores of Lysia ARPG team is 1:1.
2. **All premium currency (“Star Fragments”) sales are final and non-refundable.**
    A. **In-game items purchased with premium currency (“Star Fragments”) through our in-game shop can be refunded solely to the original buyer for their corresponding premium currency value.** The User should open a ticket or send a report requesting the refund.
    B. In-game items purchased with premium currency that were obtained via trade, resale or other unsupported means CANNOT be refunded. Item logs will be checked by Staff.
    C. Users caught abusing and / or attempting to deceive Staff will receive a warning. Repeated offenses will result in the account termination.
3. As with any in-game item, “Star Fragments” are copyrighted to Shores of Lysia ARPG. Users are therefore purchasing the right to USE the currency in-game. This is a limited license and not indicative of full ownership of said item.

4. Attempting to obtain free premium currency by issuing a chargeback or otherwise making a fraudulent transaction will result in the account termination.

VI. OWNERSHIP

1. You must have a verified account on the Shores of Lysia Lorekeeper site in order to own a Glider, Keeper, and the designs of their associated forms. (Added 07/03/2026)
2. Gifted or otherwise free designs cannot be resold. They can however be regifted or traded. Pieces commissioned by the current owner may have their value added in for resale.
3. Adoptables can be resold for the price they were purchased for, as well as additional value from commissioned pieces. **A user caught exponentially inflating prices maliciously will receive a warning or possibly be banned**. The value of commissioned pieces resets to 0 upon non-resale transfer. You cannot add on the cost of commissioned pieces from previous owners. Adoptables do retain their original sale value.
    A. Personal artworks — art made by the current owner of the design — **does not add monetary value to the design** and therefore cannot be used to increase its resale price. (Added 07/03/2026)
4. **Selling unused/unapproved designs is NOT allowed in any way shape or form.** Users caught selling unapproved designs, especially selling designs that have been submitted and denied before, will be banned without warning.

    A. Shores of Lysia will not, however, take part in subsequent monetary disputes initiated by any party involved in the purchase of illegal, unused or unapproved designs. **We advise Users to verify the validity of a design prior to finalizing any sales business.**

5. Members can commission other Artists to design and/or draw a character and/or masterlist art for them.
6. **Masterlist art made by third parties - Staff, Guest Artists, or commissioned Artists - MAY NOT be modified in any way, traced, or used commercially, save for the reselling of the design when permitted, WITHOUT the Artist's written permission.** Original Artists retain rights over their artwork, but surrender ownership of the design to the User. Users can, however, submit new art to the masterlist at any time.
    A. Edits discussed and made to the original art by the Artist can be submitted at any time, as long as they are within our edit/update design allowances.
    B. Edits made by the User with the Artist's permission may also be submitted at any time, as long as a screenshot of the Artist's written agreement is provided in the comments section of the submission, and the modifications are within our edit/update design allowances.
7. Vouchers and 3-way trades are allowed under the same rules as reselling. Designs can only be vouchered for the same price they were bought for + additional commissioned pieces. It's entirely the buyer's responsibility to check trades offers and determine if they want to proceed or not.

8. Co-owning - be it full, partial or temporary shared ownership of a design by two or more persons - is **not officially recognized nor recommended**, but not disallowed.

    A. **Shores of Lysia Staff delegates all responsibilities regarding the maintenance of the arrangement to the involved parties, and will not have any involvement in disputes or otherwise conflict situations**. On that matter, the character can only be submitted once to the site and will only be associated to a singular account, meaning only one user will have access to all permissions associated with that design -- such as trading, gifting and reselling actions, as well as editing profiles and setting permissions for gift art and writing. Therefore the official on-site owner must be discussed and decided solely between involved parties. ANY SITUATION IN WHICH AN IN-GAME CO-OWNED CHARACTER IS VICTIM TO FRAUDULENT TRADE/RESELLING/REGIFTING IS NOT RESPONSIBILITY OF THE STAFF.

Protect yourself and check character profiles to ensure a sale/trade is allowed and if the value is correct.
Ask the seller for a price breakdown if needed. Unfortunately, staff cannot be held responsible for overcharged or “unfair” trades.
You can, however, report suspicious activity and/or sales to staff members, and we will investigate and act accordingly.

VII. DESIGN, ALTERNATE UNIVERSES / ”PORTS”

1. An in depth guide on how to DESIGN / REDESIGN your Glider and/or Keeper can be found here [LINK].
2. A VISUAL TRAITS GUIDE for Gliders can be found here [LINK], and the one for Keepers here [LINK].
3. All designs must abide by the rules and the user must understand they may be requested to edit a design. If another artist is commissioned to make the masterlist art, they should be informed they might have to adjust the art to fit designing rules.
4. Character design must not resemble an already existing glider or keeper. Coincidences may happen, but copying with malicious intent is punishable by a strike.

5. **Character-based-characters (shortened to CBCs) are not allowed.**

    A. **Loose inspiration is allowed**, but 1:1 copies of copyrighted characters or original characters that you do not own are strictly prohibited. Lysia designs must be distinct from their inspiration and recognizable as their own independent characters. Members caught breaking this rule will be required to completely redesign their character.
    B. **This rule may be applied retroactively** to characters already accepted on the masterlist, as staff may recognize or learn of the character's inspiration at a later date. These characters will be hidden and must be entirely redesigned through a design request. Items must be used for any traits differing from the original.
6. Use of religious and/or culturally relevant or sensitive symbolism and imagery on designs is not allowed in order to avoid possibly offending certain groups of people or causing misunderstandings. Vague symbolism (i.e: feathers on the neck, regular 6 pointed stars, twisted ropes without elements such as shide, various kinds of knots, etc) is permitted. Designs will always be reviewed by staff. (Modified 05/07/2026).
7. Alternate universe (AU) forms are allowed. When trading or reselling, alternate forms must be bound to the original design and treated as one character. The owner MUST disclose to the recipient ALL different AUs and “ports” associated with the design.
8. All designs submitted and approved by Shores of Lysia must abide by Lysia ToS.

VIII. PRIVATIZATION (VOIDING)

1. Privatization, also known as “Voiding”, is allowed but **irreversible**.
2. To privatize/void a character please open a ticket on #ticket-desk or send a message through a report on Lorekeeper. Voided characters cannot be reinstated into the species

under any circumstances, so be certain of your choice. **Voided characters will not be removed from the Lorekeeper** for record keeping.

3. **All characters owned by banned Users will be voided by default.**

IX. USE OF SERVICE

1. **The exploitation of any glitches, loopholes, or bugs is not permitted.** If a glitch, loophole, or bug is discovered it must not be disclosed to other Users and must be reported to Staff immediately. Exploiting glitches, loopholes, or bugs may result in your account being banned.
2. The use of any scripts, bots, auto-refreshers, or third party software that is designed to, or used with, the intent to exploit the services or play the game for you is not permitted.
3. The use of any third party software or services that generate excessive amounts of connections or have the possibility of damaging the Site, damaging Site stability, or preventing the use, function, or access of services is not permitted.
4. **Any account that is found to be submitting or linking to websites displaying or providing harmful or unlawful content will be terminated.**
    A. Shores of Lysia Staff has not reviewed all links present on the Site or Communities (Discord, Toyhou.se) and holds no responsibility for the website addresses or content linked, and what they may contain. We do not endorse any content present on websites linked through our service and use of these links is done at the User's own discretion and risk.

5. You must not sell or lend the services, or allow a third party to use or access this website or its services without the written consent of Shores of Lysia's Staff.
6. By accessing this website an Admin may have access to view your public IP address as provided to us by your ISP. On that matter, the character can only be submitted once to the site and will only be associated to a singular account, meaning only one user will have access to all permissions associated with that design -- such as trading, gifting and reselling actions, as well as editing profiles and setting permissions for gift art and writing. Therefore the official on-site owner must be discussed and decided solely between involved

parties. ANY SITUATION IN WHICH AN IN-GAME CO-OWNED CHARACTER IS VICTIM TO FRAUDULENT TRADE/RESELLING/REGIFTING IS NOT RESPONSIBILITY OF THE STAFF.

Protect yourself and check character profiles to ensure a sale/trade is allowed and if the value is correct.

Ask the seller for a price breakdown if needed. Unfortunately, staff cannot be held responsible for overcharged or “unfair” trades.

You can, however, report suspicious activity and/or sales to staff members, and we will investigate and act accordingly.

VI. DESIGN, ALTERNATE UNIVERSES / ”PORTS”

1. An in depth guide on how to DESIGN / REDESIGN your Glider and/or Keeper can be found here [LINK].
2. A VISUAL TRAITS GUIDE for Gliders can be found here [LINK], and the one for Keepers here [LINK].
3. All designs must abide by the rules and the user must understand they may be requested to edit a design. If another artist is commissioned to make the masterlist art, they should be informed they might have to adjust the art to fit designing rules.
4. Character design must not resemble an already existing glider or keeper. Coincidences may happen, but copying with malicious intent is punishable by a strike.
5. **Character-based-characters (shortened to CBCs) are not allowed.**
    A. **Loose inspiration is allowed**, but 1:1 copies of copyrighted characters or original characters that you do not own are strictly prohibited. Lysia designs must be distinct from their inspiration and recognizable as their own independent characters. Members caught breaking this rule will be required to completely redesign their character.
    B. **This rule may be applied retroactively** to characters already accepted on the masterlist, as staff may recognize or learn of the character's inspiration at a later date. These characters will be hidden and must be entirely redesigned through a design request. Items must be used for any traits differing from the original.
6. Use of religious and/or culturally relevant or sensitive symbolism and imagery on designs is not allowed in order to avoid possibly offending certain groups of people or causing

misunderstandings. Vague symbolism (i.e: feather crowns/crests, regular 6 pointed stars, twisted ropes without elements such as shide, various kinds of knots, etc) is permitted. Designs will always be reviewed by staff.

7. Alternate universe (AU) forms are allowed. When trading or reselling, alternate forms must be bound to the original design and treated as one character. The owner MUST disclose to the recipient ALL different AUs and "ports" associated with the design.
8. All designs submitted and approved by Shores of Lysia must abide by Lysia ToS.

VII. PRIVATIZATION (VOIDING)

1. Privatization, also known as "Voiding", is allowed but **irreversible**.
2. To privatize/void a character please open a ticket on #ticket-desk or send a message through a report on Lorekeeper. Voided characters cannot be reinstated into the species under any circumstances, so be certain of your choice. **Voided characters will not be removed from the Lorekeeper** for record keeping.
3. **All characters owned by banned Users will be voided by default.**

VIII. USE OF SERVICE

1. **The exploitation of any glitches, loopholes, or bugs is not permitted.** If a glitch, loophole, or bug is discovered it must not be disclosed to other Users and must be reported to Staff immediately. Exploiting glitches, loopholes, or bugs may result in your account being banned.
2. The use of any scripts, bots, auto-refreshers, or third party software that is designed to, or used with, the intent to exploit the services or play the game for you is not permitted.
3. The use of any third party software or services that generate excessive amounts of connections or have the possibility of damaging the Site, damaging Site stability, or preventing the use, function, or access of services is not permitted.
4. **Any account that is found to be submitting or linking to websites displaying or providing harmful or unlawful content will be terminated.**
    A. Shores of Lysia Staff has not reviewed all links present on the Site or Communities (Discord, Toyhou.se) and holds no responsibility for the website

addresses or content linked, and what they may contain. We do not endorse any content present on websites linked through our service and use of these links is done at the User's own discretion and risk.

5. You must not sell or lend the services, or allow a third party to use or access this website or its services without the written consent of Shores of Lysia's Staff.
6. By accessing this website an Admin may have access to view your public IP address as provided to us by your ISP. This is how your device communicates to our server and is visible to any website you access. IP addresses may be checked during multi-account cheating disputes, but serve no other purpose.

IX. PROHIBITED USES

1. You may use the Site, its contents and the Community only for lawful purposes and in accordance with this Agreement. **By visiting our Site, or by using our Services, you hereby agree not to use our contents:**
    A. In any way that violates any applicable federal, state, local or international law or regulation (including, without limitation, any laws regarding the export of data or software to and from the USA and other countries).
    B. For the purpose of exploiting, harming, or attempting to exploit or harm minors in any way by exposing them to inappropriate content, asking for personally identifiable information, or otherwise.
    C. To transmit, or procure the sending of, any advertising or promotional material, including any "junk mail", "chain letter", "spam", or any other similar solicitation.
    D. To impersonate or attempt to impersonate Admin, Staff, or another User, or any other person or entity (including, without limitation, by using email addresses associated with any of the foregoing).
    E. To engage in any other conduct that restricts or inhibits anyone's use or enjoyment of the Site, or which, as determined by us, may harm Staff or Users of the Site or expose them to liability.

X. DISCONTINUING OF SERVICES

1. We reserve the right to discontinue any services on this website or close the website at any time, for any reason, without prior notice. If services are discontinued or the website is closed down permanently or temporarily, you agree to not hold us responsible or liable for any losses or damages that result from the closure. In the event of website closure or removal, you are still bound by these terms.

XI. COPYRIGHT

1. **Shores of Lysia ARPG, Welkin Gliders, and Welkin Keepers IP belong to Hiu/97ducklings.**
    A. The commercial creation and sale of physical or digital merchandise based on concepts, characters and IPs within Shores of Lysia is prohibited.

2. Hiu holds all copyright over all elements and contents in shoresoflysia.com website, save from user submitted content.
3. Shores of Lysia staff holds enforcement rights. Staff reserves the right to take enforcement actions against users who violate these terms, such as removing user submitted content, limiting or discontinuing your access to the website and discord server, or taking legal action.

Old text:

Users (defined as those who own or plan to own characters or designs as part of the Shores of Lysia ARPG, and participate in the Community and Site) agree to follow the Terms of Service presented here. Their right to the designs remain intact as long as this Agreement is respected and followed. Breaching this Agreement may lead to account suspension, as well as blacklisting from the community and ARPG elements of Shores of Lysia.

I. GENERAL

1. **You must be 16 years old to register on the site, and 18 years old participate in the chatting portion of our Discord server.** Members caught faking their age will have their account frozen until they are 16 years old, and will be removed from the Discord server.
    A. **Do not impersonate anyone or provide inaccurate information.** You are not required — nor advised — to share any personal information, besides your age, to participate in our community. Users caught impersonating another user, however, will be banned.
    B. Users younger than 18 and older than 16 years old may join our Discord server to follow specific, open-for-all channels, such as Announcements, Site Sales (see Payment Terms below), Current Events and Raffles. Those users can also

access Rules and Guidelines, Directory, Role Selection, Staff and Introductions channels. Minors will not gain access to other channels within our Discord server.

2. **Be kind and respectful of others.** We are a LGBTQ+ friendly community, and do not tolerate racism, sexism or any form of hate speech towards individuals or groups of individuals. Remember most people are strangers and have their own boundaries. **If asked to drop a topic, please drop the topic**.
3. **Do not harass anyone.** Repeatedly tagging a person/role, begging and whining, unwanted criticism, as well as guilt-tripping or overall pressuring someone for their character, free art, etc., will lead to a warning. Personal disputes should be kept private. If there's any issue with a user you think might be important to address to staff, send a report on lorekeeper or create a ticket on #Ticket-desk channel on Discord to contact a moderator privately.
4. **Please keep personal sensitive topics out of the site and be mindful not to overshare.** While we want to help out as much as possible, staff and server members are unfortunately not qualified to handle such topics; additionally, it could be triggering for some users, and we strive to keep this community as a safe space for all. We deeply encourage you to seek professional help if you are having a hard time.
5. **Do not spam.** Keep in mind typing quirks, such as all caps or substituting letters for other symbols, may be difficult for some users to read and engage with. If asked to stop, please do so.
6. Art and literature pieces, as well as any photo or conversation topic, that includes sensitive content must be spoilered and tagged as such (for example: a simple "tw/trigger warning: blood" tag would be enough!).
7. **Sexual NSFW imagery or in-depth discussion is strictly forbidden.** Repeat offense of this rule will result in warnings or a ban.
8. **All submissions must be your own work.**
    A. **Artificial Intelligence (AI) content is not allowed and not tolerated.** Users caught submitting AI work will be warned once. The submitted AI piece will be deleted and any rewards given will be removed from the account. If caught a second time, the user will be banned.
    B. Work submitted to the gallery, either for in-game currency or not for in-game currency, must be the user's own work. **Photography may be uploaded given the photo is owned by the user and is not a stock image**, regardless of

whether or not the image is free to use. This includes images for literature thumbnails.

C. **Photobashing and the use of stamp brushes are allowed in small amounts**, given the work is legally distinct from the original piece(s) used in the resulting image.

9. **Shores of Lysia Staff only recognizes the Shores of Lysia Discord server, this Lorekeeper, and the Shores of Lysia Toyhou.se world as official.** We are not responsible for the actions taken by users on any unofficial platform or in any unofficial, member-driven community spaces, and thus have no responsibility to moderate these channels. Please use your own discretion when engaging with or contributing to these communities.
    A. If you recognize genuinely harmful behaviour from members who actively participate in our official spaces, that infringes upon the safety of the community and breaks clauses of our ToS, you can create a ticket to inform us. Action will be taken if it falls under our jurisdiction and reports are handled on a case-by-case basis.
10. **The selling of items and currency obtained through site gameplay for real world currency is strictly prohibited.** Shores of Lysia's items and currency do not hold any real world monetary value. The only exception to this are items bought with Star Fragments. Items have a one Star Fragment = one American Dollars (USD) conversion rate and cannot be resold for more than their equivalent price in Star Fragments (Modified 06/02/2026).
11. **Discussion of the trade or resale of a glider whose ownership has yet to be claimed or confirmed is prohibited**. Harrassment towards others during sale events such as gachas or advents will result in a strike.
12. Please submit a report or use #ticket-desk on Discord if there's anything concerning that needs to be reported.

II. ACCOUNT

1. To register on the Site, Users will be asked to provide:
    A. A unique username;
    B. A valid email address;

    C. A new password;
    D. A Toyhou.se account linked under "aliases".
2. The chosen username for your Shores of Lysia account cannot be vulgar, offensive, hateful, obscene, defamatory, or unlawful at the discretion of the Shores of Lysia Staff. Usernames that contain such language may be modified or have the account associated with them banned.
3. **You MAY NOT create more than one account.** There is a limit of 1 activated account per person.

III. ACCOUNT TERMINATION

III.I TERMINATION BY YOU

1. The User may stop using the Services at any time. You may request to terminate your account by contacting Staff with a support ticket.
2. Accounts terminated by Users can be recreated at a later date, but no in-game currency or game item from the past account will be transferred.

III.II TERMINATION BY SHORES OF LYSIA staff

1. Shores of Lysia reserves the right to suspend or terminate a User's account if (A) the User partakes in illegal activities within the Site and Community; (B) the User repeatedly breach these Terms of Service; (C) Staff has deemed a User unsafe or disruptive (for their conduct that create or could create liability or harm to other Users, or to the Site); or (D) we are required to do so to comply with a legal requirement or a court order.
2. Accounts terminated by Staff cannot be recreated and the User may not rejoin the community.

IV. PAYMENTS

1. **For any monetary transactions made within our community, Users agree that they are 18 or older, or agree to provide proof or permission from their legal guardians.**
    A. Shores of Lysia Staff does not solicit nor have access to User’s personal documentation to verify their age, and thus has no liability for any monetary

transactions performed by minors who have faked their age upon registration within our Community and Site.

2. **Purchases are final and non-refundable.** Any form of unfair chargeback will result in an immediate ban.
3. Once contacted, the payment must be done **in USD via Paypal** and **within 48 hours**. If, for whatever reason, the payment cannot be done within 48 hours, communicate staff as soon as possible.
4. Users can inquire Guest Artists about payment plans, and Guest Artists are free to decide on the terms for the payment plan.
    A. **Only auctions are entitled for payment plans.** Flat sales and gachas cannot be paid with payment plans.
    B. Auction posts will be updated to reflect if payment plans are accepted by the Guest Artist.
    C. **All bids made with payment plan option MUST state they are part of a payment plan.** Example: $300 with payment plan. This is in order to keep bidding fair to all players, including those that have not personally reached out to Guest Artists.
    D. **Characters will NOT be transferred from Midnight's (Admin) account to the User's account until the payment has been transferred in full.** This is non-negotiable. The character is merely being held for the winning buyer, and ownership is not transferred until the agreement has been honored.
5. If acquiring a MYO of any kind, you are aware and agree to the designing, redesigning, reselling and trading terms and limitations.
6. **ARPG items that were acquired through in-game currency and trading may not be resold for real life currency.**
7. Staff and artists reserve the right to deny a sale for whatever reason.
8. **Editing bid and claim comments during an auction or sale on the site is strictly prohibited. Comments that are edited are considered void and illegitimate.** Additionally, please avoid conversing in the sale threads to keep the chain clear.

V. OWNERSHIP

1. Gifted or otherwise free designs cannot be resold. They can however be regifted or traded. Pieces commissioned by the current owner may have their value added in for resale.
2. Adoptables can be resold for the price they were purchased for, as well as additional value from commissioned pieces. **A user caught exponentially inflating prices maliciously will receive a warning or possibly be banned**. The value of commissioned pieces resets to 0 upon non-resale transfer. You cannot add on the cost of commissioned pieces from previous owners. Adoptables do retain their original sale value.
3. **Selling unused/unapproved designs is NOT allowed in any way shape or form.** Users caught selling unapproved designs, especially selling designs that have been submitted and denied before, will be banned without warning.
    A. Shores of Lysia will not, however, take part in subsequent monetary disputes initiated by any party involved in the purchase of illegal, unused or unapproved designs. **We advise Users to verify the validity of a design prior to finalizing any sales business.**
4. Members can commission other Artists to design and/or draw a character and/or masterlist art for them.
5. **Masterlist art made by third parties - Staff, Guest Artists, or commissioned Artists - MAY NOT be modified in any way, traced, or used commercially, save for the reselling of the design when permitted, WITHOUT the Artist's written permission.** Original Artists retain rights over their artwork, but surrender ownership of the design to the User. Users can, however, submit new art to the masterlist at any time.
    A. Edits discussed and made to the original art by the Artist can be submitted at any time, as long as they are within our edit/update design allowances.
    B. Edits made by the User with the Artist's permission may also be submitted at any time, as long as a screenshot of the Artist's written agreement is provided in the comments section of the submission, and the modifications are within our edit/update design allowances.
6. Vouchers and 3-way trades are allowed under the same rules as reselling. Designs can only be vouchered for the same price they were bought for + additional commissioned pieces. It's entirely the buyer's responsibility to check trades offers and determine if they want to proceed or not.

7. Co-owning - be it full, partial or temporary shared ownership of a design by two or more persons - is **not officially recognized nor recommended**, but not disallowed.
    A. **Shores of Lysia Staff delegates all responsibilities regarding the maintenance of the arrangement to the involved parties, and will not have any involvement in disputes or otherwise conflict situations**. On that matter, the character can only be submitted once to the site and will only be associated to a singular account, meaning only one user will have access to all permissions associated with that design -- such as trading, gifting and reselling actions, as well as editing profiles and setting permissions for gift art and writing. Therefore the official on-site owner must be discussed and decided solely between involved parties. ANY SITUATION IN WHICH AN IN-GAME CO-OWNED CHARACTER IS VICTIM TO FRAUDULENT TRADE/RESELLING/REGIFTING IS NOT RESPONSIBILITY OF THE STAFF.

Protect yourself and check character profiles to ensure a sale/trade is allowed and if the value is correct.

Ask the seller for a price breakdown if needed. Unfortunately, staff cannot be held responsible for overcharged or “unfair” trades.

You can, however, report suspicious activity and/or sales to staff members, and we will investigate and act accordingly.

4. Character design must not resemble an already existing glider or keeper. Coincidences may happen, but copying with malicious intent is punishable by a strike.

B. **This rule may be applied retroactively** to characters already accepted on the masterlist, as staff may recognize or learn of the character's inspiration at a later date. These characters will be hidden and must be entirely redesigned through a design request. Items must be used for any traits differing from the original.

6. Use of religious and/or culturally relevant or sensitive symbolism and imagery on designs is not allowed in order to avoid possibly offending certain groups of people or causing misunderstandings. Vague symbolism (i.e: feather crowns/crests, regular 6 pointed stars, twisted ropes without elements such as shide, various kinds of knots, etc) is permitted. Designs will always be reviewed by staff.
7. Alternate universe (AU) forms are allowed. When trading or reselling, alternate forms must be bound to the original design and treated as one character. The owner MUST disclose to the recipient ALL different AUs and “ports” associated with the design.

2. The use of any scripts, bots, auto-refreshers, or third party software that is designed to, or used with, the intent to exploit the services or play the game for you is not permitted.

4. **Any account that is found to be submitting or linking to websites displaying or providing harmful or unlawful content will be terminated.**
    A. Shores of Lysia Staff has not reviewed all links present on the Site or Communities (Discord, Toyhou.se) and holds no responsibility for the website addresses or content linked, and what they may contain. We do not endorse any content present on websites linked through our service and use of these links is done at the User's own discretion and risk.

2. Accounts terminated by Staff cannot be recreated and the User may not rejoin the community.

IV. PAYMENTS

1. **For any monetary transactions made within our community, Users agree that they are 18 or older, or agree to provide proof or permission from their legal guardians.**
    A. Shores of Lysia Staff does not solicit nor have access to User’s personal documentation to verify their age, and thus has no liability for any monetary transactions performed by minors who have faked their age upon registration within our Community and Site.
2. **Purchases are final and non-refundable.** Any form of unfair chargeback will result in an immediate ban.
3. Once contacted, the payment must be done **in USD via Paypal** and **within 48 hours**. If, for whatever reason, the payment cannot be done within 48 hours, communicate staff as soon as possible.

4. Users can inquire Guest Artists about payment plans, and Guest Artists are free to decide on the terms for the payment plan.
    A. **Only auctions are entitled for payment plans.** Flat sales and gachas cannot be paid with payment plans.
    B. Auction posts will be updated to reflect if payment plans are accepted by the Guest Artist.
    C. **All bids made with payment plan option MUST state they are part of a payment plan.** Example: $300 with payment plan. This is in order to keep bidding fair to all players, including those that have not personally reached out to Guest Artists.
    D. **Characters will NOT be transferred from Midnight's (Admin) account to the User's account until the payment has been transferred in full.** This is non-negotiable. The character is merely being held for the winning buyer, and ownership is not transferred until the agreement has been honored.
5. If acquiring a MYO of any kind, you are aware and agree to the designing, redesigning, reselling and trading terms and limitations.
6. **ARPG items that were acquired through in-game currency and trading may not be resold for real life currency.**
7. Staff and artists reserve the right to deny a sale for whatever reason.

V. OWNERSHIP

1. Gifted or otherwise free designs cannot be resold. They can however be regifted or traded. Pieces commissioned by the current owner may have their value added in for resale.
2. Adoptables can be resold for the price they were purchased for, as well as additional value from commissioned pieces. **A user caught exponentially inflating prices maliciously will receive a warning or possibly be banned**. The value of commissioned pieces resets to 0 upon non-resale transfer. You cannot add on the cost of commissioned pieces from previous owners. Adoptables do retain their original sale value.

3. **Selling unused/unapproved designs is NOT allowed in any way shape or form.** Users caught selling unapproved designs, especially selling designs that have been submitted and denied before, will be banned without warning.
    A. Shores of Lysia will not, however, take part in subsequent monetary disputes initiated by any party involved in the purchase of illegal, unused or unapproved designs. **We advise Users to verify the validity of a design prior to finalizing any sales business.**
4. Members can commission other Artists to design and/or draw a character and/or masterlist art for them.
5. **Masterlist art made by third parties - Staff, Guest Artists, or commissioned Artists - MAY NOT be modified in any way, traced, or used commercially, save for the reselling of the design when permitted, WITHOUT the Artist's written permission.** Original Artists retain rights over their artwork, but surrender ownership of the design to the User. Users can, however, submit new art to the masterlist at any time.
    A. Edits discussed and made to the original art by the Artist can be submitted at any time, as long as they are within our edit/update design allowances.
    B. Edits made by the User with the Artist's permission may also be submitted at any time, as long as a screenshot of the Artist's written agreement is provided in the comments section of the submission, and the modifications are within our edit/update design allowances.
6. Vouchers and 3-way trades are allowed under the same rules as reselling. Designs can only be vouchered for the same price they were bought for + additional commissioned pieces. It's entirely the buyer's responsibility to check trades offers and determine if they want to proceed or not.
7. Co-owning - be it full, partial or temporary shared ownership of a design by two or more persons - is **not officially recognized nor recommended**, but not disallowed.
    A. **Shores of Lysia Staff delegates all responsibilities regarding the maintenance of the arrangement to the involved parties, and will not have any involvement in disputes or otherwise conflict situations**. On that matter, the character can only be submitted once to the site and will only be associated to a singular account, meaning only one user will have access to all permissions associated with that design -- such as trading, gifting and reselling actions, as well as editing profiles and setting permissions for gift art and writing. Therefore the official on-site owner must be discussed and decided solely between involved

parties. ANY SITUATION IN WHICH AN IN-GAME CO-OWNED CHARACTER IS VICTIM TO FRAUDULENT TRADE/RESELLING/REGIFTING IS NOT RESPONSIBILITY OF THE STAFF.

Protect yourself and check character profiles to ensure a sale/trade is allowed and if the value is correct.

Ask the seller for a price breakdown if needed. Unfortunately, staff cannot be held responsible for overcharged or “unfair” trades. You can, however, report suspicious activity and/or sales to staff members, and we will investigate and act accordingly.

VI. DESIGN, ALTERNATE UNIVERSES / ”PORTS”

1. An in depth guide on how to DESIGN / REDESIGN your Glider and/or Keeper can be found here [LINK].
2. A VISUAL TRAITS GUIDE for Gliders can be found here [LINK], and the one for Keepers here [LINK].
3. All designs must abide by the rules and the user must understand they may be requested to edit a design. If another artist is commissioned to make the masterlist art, they should be informed they might have to adjust the art to fit designing rules.
4. Character design must not resemble an already existing glider or keeper. Coincidences may happen, but copying with malicious intent is punishable by a strike.
5. **Character-based-characters (shortened to CBCs) are not allowed.**
    A. **Loose inspiration is allowed**, but 1:1 copies of copyrighted characters or original characters that you do not own are strictly prohibited. Lysia designs must be distinct from their inspiration and recognizable as their own independent characters. Members caught breaking this rule will be required to completely redesign their character.
    B. **This rule may be applied retroactively** to characters already accepted on the masterlist, as staff may recognize or learn of the character's inspiration at a later date. These characters will be hidden and must be entirely redesigned through a design request. Items must be used for any traits differing from the original.

6. Use of religious and/or culturally relevant or sensitive symbolism and imagery on designs is not allowed in order to avoid possibly offending certain groups of people or causing misunderstandings. Vague symbolism (i.e: feather crowns/crests, regular 6 pointed stars, twisted ropes without elements such as shide, various kinds of knots, etc) is permitted. Designs will always be reviewed by staff.
7. Alternate universe (AU) forms are allowed. When trading or reselling, alternate forms must be bound to the original design and treated as one character. The owner MUST disclose to the recipient ALL different AUs and “ports” associated with the design.
8. All designs submitted and approved by Shores of Lysia must abide by Lysia ToS.

VII. PRIVATIZATION (VOIDING)

1. Privatization, also known as “Voiding”, is allowed but **irreversible**.
2. To privatize/void a character please open a ticket on #ticket-desk or send a message through a report on Lorekeeper. Voided characters cannot be reinstated into the species under any circumstances, so be certain of your choice. **Voided characters will not be removed from the Lorekeeper** for record keeping.
3. **All characters owned by banned Users will be voided by default.**

VIII. USE OF SERVICE

1. **The exploitation of any glitches, loopholes, or bugs is not permitted.** If a glitch, loophole, or bug is discovered it must not be disclosed to other Users and must be reported to Staff immediately. Exploiting glitches, loopholes, or bugs may result in your account being banned.
2. The use of any scripts, bots, auto-refreshers, or third party software that is designed to, or used with, the intent to exploit the services or play the game for you is not permitted.
3. The use of any third party software or services that generate excessive amounts of connections or have the possibility of damaging the Site, damaging Site stability, or preventing the use, function, or access of services is not permitted.
4. **Any account that is found to be submitting or linking to websites displaying or providing harmful or unlawful content will be terminated.**

    A. Shores of Lysia Staff has not reviewed all links present on the Site or Communities (Discord, Toyhou.se) and holds no responsibility for the website addresses or content linked, and what they may contain. We do not endorse any content present on websites linked through our service and use of these links is done at the User's own discretion and risk.
5. You must not sell or lend the services, or allow a third party to use or access this website or its services without the written consent of Shores of Lysia's Staff.
6. By accessing this website an Admin may have access to view your public IP address as provided to us by your ISP. This is how your device communicates to our server and is visible to any website you access. IP addresses may be checked during multi-account cheating disputes, but serve no other purpose.

IX. PROHIBITED USES

1. You may use the Site, its contents and the Community only for lawful purposes and in accordance with this Agreement. **By visiting our Site, or by using our Services, you hereby agree not to use our contents:**
    A. In any way that violates any applicable federal, state, local or international law or regulation (including, without limitation, any laws regarding the export of data or software to and from the USA and other countries).
    B. For the purpose of exploiting, harming, or attempting to exploit or harm minors in any way by exposing them to inappropriate content, asking for personally identifiable information, or otherwise.
    C. To transmit, or procure the sending of, any advertising or promotional material, including any "junk mail", "chain letter", "spam", or any other similar solicitation.
    D. To impersonate or attempt to impersonate Admin, Staff, or another User, or any other person or entity (including, without limitation, by using email addresses associated with any of the foregoing).
    E. To engage in any other conduct that restricts or inhibits anyone's use or enjoyment of the Site, or which, as determined by us, may harm Staff or Users of the Site or expose them to liability.

X. DISCONTINUING OF SERVICES

1. We reserve the right to discontinue any services on this website or close the website at any time, for any reason, without prior notice. If services are discontinued or the website is closed down permanently or temporarily, you agree to not hold us responsible or liable for any losses or damages that result from the closure. In the event of website closure or removal, you are still bound by these terms.

XI. COPYRIGHT

1. **Shores of Lysia ARPG, Welkin Gliders, and Welkin Keepers IP belong to Hiu/97ducklings.**
    A. The commercial creation and sale of physical or digital merchandise based on concepts, characters and IPs within Shores of Lysia is prohibited.
    B. By participating in our IP you agree designs cannot be used in a commercial manner without explicit permission from Hiu. All use must be personal.
2. Hiu holds all copyright over all elements and contents in shoresoflysia.com website, save from user submitted content.
3. Shores of Lysia staff holds enforcement rights. Staff reserves the right to take enforcement actions against users who violate these terms, such as removing user submitted content, limiting or discontinuing your access to the website and discord server, or taking legal action.
4. You retain ownership and rights to any content submitted by you, and you provide Shores of Lysia with a royalty-free license to display and share your content with other users on-site.

- Added new term to Article IV, as #4 - Regarding Payment Plans.

Version from: October 1st, 2025.

Old text:

Users (defined as those who own or plan to own characters or designs as part of the Shores of Lysia ARPG, and participate in the Community and Site) agree to follow the Terms of Service presented here. Their right to the designs remain intact as long as this Agreement is respected and followed. Breaching this Agreement may lead to account suspension, as well as blacklisting from the community and ARPG elements of Shores of Lysia.

I. GENERAL

1. **You must be 16 years old to register on the site, and 18 years old participate in the chatting portion of our Discord server.** Members caught faking their age will have their account frozen until they are 16 years old, and will be removed from the Discord server.
    A. **Do not impersonate anyone or provide inaccurate information.** You are not required -- nor advised -- to share any personal information, besides your age, to participate in our community. Users caught impersonating another user, however, will be banned.
    B. Users younger than 18 and older than 16 years old may join our Discord server to follow specific, open-for-all channels, such as Announcements, Site Sales (see Payment Terms below), Current Events and Raffles. Those users can also access Rules and Guidelines, Directory, Role Selection, Staff and Introductions channels. Minors will not gain access to other channels within our Discord server.
2. **Be kind and respectful of others.** We are a LGBTQ+ friendly community, and do not tolerate racism, sexism or any form of hate speech towards individuals or groups of

individuals. Remember most people are strangers and have their own boundaries. **If asked to drop a topic, please drop the topic**.

3. **Do not harass anyone.** Repeatedly tagging a person/role, begging and whining, unwanted criticism, as well as guilt-tripping or overall pressuring someone for their character, free art, etc., will lead to a warning. Personal disputes should be kept private. If there's any issue with a user you think might be important to address to staff, send a report on lorekeeper or create a ticket on #Ticket-desk channel on Discord to contact a moderator privately.
4. **Please keep personal sensitive topics out of the site and be mindful not to overshare.** While we want to help out as much as possible, staff and server members are unfortunately not qualified to handle such topics; additionally, it could be triggering for some users, and we strive to keep this community as a safe space for all. We deeply encourage you to seek professional help if you are having a hard time.
5. **Do not spam.** Keep in mind typing quirks, such as all caps or substituting letters for other symbols, may be difficult for some users to read and engage with. If asked to stop, please do so.
6. Art and literature pieces, as well as any photo or conversation topic, that includes sensitive content must be spoilered and tagged as such (for example: a simple "tw/trigger warning: blood" tag would be enough!).
7. **Sexual NSFW imagery or in-depth discussion is strictly forbidden.** Repeat offense of this rule will result in warnings or a ban.
8. **All submissions must be your own work.**
    A. **Artificial Intelligence (AI) content is not allowed and not tolerated.** Users caught submitting AI work will be warned once. The submitted AI piece will be deleted and any rewards given will be removed from the account. If caught a second time, the user will be banned.
    B. Work submitted to the gallery, either for in-game currency or not for in-game currency, must be the user's own work. **Photography may be uploaded given the photo is owned by the user and is not a stock image**, regardless of whether or not the image is free to use. This includes images for literature thumbnails.
    C. **Photobashing and the use of stamp brushes are allowed in small amounts**, given the work is legally distinct from the original piece(s) used in the resulting image.

9. **Shores of Lysia Staff only recognizes the Shores of Lysia Discord server, this Lorekeeper, and the Shores of Lysia Toyhou.se world as official.** We are not responsible for the actions taken by users on any unofficial platform or in any unofficial, member-driven community spaces, and thus have no responsibility to moderate these channels. Please use your own discretion when engaging with or contributing to these communities.
    A. If you recognize genuinely harmful behaviour from members who actively participate in our official spaces, that infringes upon the safety of the community and breaks clauses of our ToS, you can create a ticket to inform us. Action will be taken if it falls under our jurisdiction and reports are handled on a case-by-case basis.
10. Please submit a report or use #ticket-desk on Discord if there's anything concerning that needs to be reported.

II. ACCOUNT

1. To register on the Site, Users will be asked to provide:
    A. A unique username;
    B. A valid email address;
    C. A new password;
    D. A Toyhou.se account linked under "aliases".
2. The chosen username for your Shores of Lysia account cannot be vulgar, offensive, hateful, obscene, defamatory, or unlawful at the discretion of the Shores of Lysia Staff. Usernames that contain such language may be modified or have the account associated with them banned.
3. **You MAY NOT create more than one account.** There is a limit of 1 activated account per person.

III. ACCOUNT TERMINATION

III.I TERMINATION BY YOU

1. The User may stop using the Services at any time. You may request to terminate your account by contacting Staff with a support ticket.
2. Accounts terminated by Users can be recreated at a later date, but no in-game currency or game item from the past account will be transferred.

III.II TERMINATION BY SHORES OF LYSIA staff

1. Shores of Lysia reserves the right to suspend or terminate a User's account if (A) the User partakes in illegal activities within the Site and Community; (B) the User repeatedly breach these Terms of Service; (C) Staff has deemed a User unsafe or disruptive (for their conduct that create or could create liability or harm to other Users, or to the Site); or (D) we are required to do so to comply with a legal requirement or a court order.
2. Accounts terminated by Staff cannot be recreated and the User may not rejoin the community.

IV. Payments

1. **For any monetary transactions made within our community, Users agree that they are 18 or older, or agree to provide proof or permission from their legal guardians.**
    A. Shores of Lysia Staff does not solicit nor have access to User’s personal documentation to verify their age, and thus has no liability for any monetary transactions performed by minors who have faked their age upon registration within our Community and Site.
2. **Purchases are final and non-refundable.** Any form of unfair chargeback will result in an immediate ban.
3. Once contacted, the payment must be done **in USD via Paypal** and **within 48 hours**. If, for whatever reason, the payment cannot be done within 48 hours, communicate staff as soon as possible.
4. If acquiring a MYO of any kind, you are aware and agree to the designing, redesigning, reselling and trading terms and limitations.
5. **ARPG items that were acquired through in-game currency and trading may not be resold for real life currency.**
6. Staff and artists reserve the right to deny a sale for whatever reason.

    C. A new password;
    D. A Toyhou.se account linked under "aliases".
2. The chosen username for your Shores of Lysia account cannot be vulgar, offensive, hateful, obscene, defamatory, or unlawful at the discretion of the Shores of Lysia Staff. Usernames that contain such language may be modified or have the account associated with them banned.
3. **You MAY NOT create more than one account.** There is a limit of 1 activated account per person.

III. ACCOUNT TERMINATION

III.I TERMINATION BY YOU

1. The User may stop using the Services at any time. You may request to terminate your account by contacting Staff with a support ticket.
2. Accounts terminated by Users can be recreated at a later date, but no in-game currency or game item from the past account will be transferred.

III.II TERMINATION BY SHORES OF LYSIA staff

1. Shores of Lysia reserves the right to suspend or terminate a User's account if (A) the User partakes in illegal activities within the Site and Community; (B) the User repeatedly breach these Terms of Service; (C) Staff has deemed a User unsafe or disruptive (for their conduct that create or could create liability or harm to other Users, or to the Site); or (D) we are required to do so to comply with a legal requirement or a court order.
2. Accounts terminated by Staff cannot be recreated and the User may not rejoin the community.

IV. Payments

1. **For any monetary transactions made within our community, Users agree that they are 18 or older, or agree to provide proof or permission from their legal guardians.**
    A. Shores of Lysia Staff does not solicit nor have access to User's personal documentation to verify their age, and thus has no liability for any monetary transactions performed by minors who have faked their age upon registration within our Community and Site.
2. **Purchases are final and non-refundable.** Any form of unfair chargeback will result in an immediate ban.
3. Once contacted, the payment must be done **in USD via Paypal** and **within 48 hours**. If, for whatever reason, the payment cannot be done within 48 hours, communicate staff as soon as possible.
4. If acquiring a MYO of any kind, you are aware and agree to the designing, redesigning, reselling and trading terms and limitations.
5. **ARPG items that were acquired through in-game currency and trading may not be resold for real life currency.**
6. Staff and artists reserve the right to deny a sale for whatever reason.

V. OWNERSHIP

1. Gifted or otherwise free designs cannot be resold. They can however be regifted or traded. Pieces commissioned by the current owner may have their value added in for resale.
2. Adoptables can be resold for the price they were purchased for, as well as additional value from commissioned pieces. **A user caught exponentially inflating prices maliciously will receive a warning or possibly be banned**.
3. **Selling unused/unapproved designs is NOT allowed in any way shape or form.** Users caught selling unapproved designs, especially selling designs that have been submitted and denied before, will be banned without warning.
    A. Shores of Lysia will not, however, take part in subsequent monetary disputes initiated by any party involved in the purchase of illegal, unused or unapproved

designs. **We advise Users to verify the validity of a design prior to finalizing any sales business.**

4. Members can commission other Artists to design and/or draw a character and/or masterlist art for them.
5. **Masterlist art made by third parties - Staff, Guest Artists, or commissioned Artists - MAY NOT be modified in any way, traced, or used commercially, save for the reselling of the design when permitted, WITHOUT the Artist's written permission.** Original Artists retain rights over their artwork, but surrender ownership of the design to the User. Users can, however, submit new art to the masterlist at any time.
    A. Edits discussed and made to the original art by the Artist can be submitted at any time, as long as they are within our edit/update design allowances.
    B. Edits made by the User with the Artist's permission may also be submitted at any time, as long as a screenshot of the Artist's written agreement is provided in the comments section of the submission, and the modifications are within our edit/update design allowances.
6. Vouchers and 3-way trades are allowed under the same rules as reselling. Designs can only be vouchered for the same price they were bought for + additional commissioned pieces. It's entirely the buyer's responsibility to check trades offers and determine if they want to proceed or not.
7. Co-owning - be it full, partial or temporary shared ownership of a design by two or more persons - is **not officially recognized nor recommended**, but not disallowed.
    A. **Shores of Lysia Staff delegates all responsibilities regarding the maintenance of the arrangement to the involved parties, and will not have any involvement in disputes or otherwise conflict situations**. On that matter, the character can only be submitted once to the site and will only be associated to a singular account, meaning only one user will have access to all permissions associated with that design -- such as trading, gifting and reselling actions, as well as editing profiles and setting permissions for gift art and writing. Therefore the official on-site owner must be discussed and decided solely between involved parties. ANY SITUATION IN WHICH AN IN-GAME CO-OWNED CHARACTER IS VICTIM TO FRAUDULENT TRADE/RESELLING/REGIFTING IS NOT RESPONSIBILITY OF THE STAFF.

Protect yourself and check character profiles to ensure a sale/trade is allowed and if the value is correct.

Ask the seller for a price breakdown if needed. Unfortunately, staff cannot be held responsible for overcharged or “unfair” trades. You can, however, report suspicious activity and/or sales to staff members, and we will investigate and act accordingly.

VI. DESIGN, ALTERNATE UNIVERSES / ”PORTS”

1. An in depth guide on how to DESIGN / REDESIGN your Glider and/or Keeper can be found here [LINK].
2. A VISUAL TRAITS GUIDE for Gliders can be found here [LINK], and the one for Keepers here [LINK].
3. All designs must abide by the rules and the user must understand they may be requested to edit a design. If another artist is commissioned to make the masterlist art, they should be informed they might have to adjust the art to fit designing rules.
4. Character design must not resemble an already existing glider or keeper. Coincidences may happen, but copying with malicious intent is punishable by a strike.
5. **Character-based-characters (shortened to CBCs) are not allowed.**
    A. **Loose inspiration is allowed**, but 1:1 copies of copyrighted characters or original characters that you do not own are strictly prohibited. Lysia designs must be distinct from their inspiration and recognizable as their own independent characters. Members caught breaking this rule will be required to completely redesign their character.
    B. **This rule may be applied retroactively** to characters already accepted on the masterlist, as staff may recognize or learn of the character's inspiration at a later date. These characters will be hidden and must be entirely redesigned through a design request. Items must be used for any traits differing from the original.
6. Use of religious and/or culturally relevant or sensitive symbolism and imagery on designs is not allowed in order to avoid possibly offending certain groups of people or causing misunderstandings. Vague symbolism (i.e: feather crowns/crests, regular 6 pointed stars, twisted ropes without elements such as shide, various kinds of knots, etc) is permitted. Designs will always be reviewed by staff.

7. Alternate universe (AU) forms are allowed. When trading or reselling, alternate forms must be bound to the original design and treated as one character. The owner MUST disclose to the recipient ALL different AUs and “ports” associated with the design.
8. All designs submitted and approved by Shores of Lysia must abide by Lysia ToS.

VII. PRIVATIZATION (VOIDING)

1. Privatization, also known as “Voiding”, is allowed but **irreversible**.
2. To privatize/void a character please open a ticket on #ticket-desk or send a message through a report on Lorekeeper. Voided characters cannot be reinstated into the species under any circumstances, so be certain of your choice. **Voided characters will not be removed from the Lorekeeper** for record keeping.
3. **All characters owned by banned Users will be voided by default.**

VIII. USE OF SERVICE

1. **The exploitation of any glitches, loopholes, or bugs is not permitted.** If a glitch, loophole, or bug is discovered it must not be disclosed to other Users and must be reported to Staff immediately. Exploiting glitches, loopholes, or bugs may result in your account being banned.
2. The use of any scripts, bots, auto-refreshers, or third party software that is designed to, or used with, the intent to exploit the services or play the game for you is not permitted.
3. The use of any third party software or services that generate excessive amounts of connections or have the possibility of damaging the Site, damaging Site stability, or preventing the use, function, or access of services is not permitted.
4. **Any account that is found to be submitting or linking to websites displaying or providing harmful or unlawful content will be terminated.**
    A. Shores of Lysia Staff has not reviewed all links present on the Site or Communities (Discord, Toyhou.se) and holds no responsibility for the website addresses or content linked, and what they may contain. We do not endorse any content present on websites linked through our service and use of these links is done at the User's own discretion and risk.

5. You must not sell or lend the services, or allow a third party to use or access this website or its services without the written consent of Shores of Lysia's Staff.
6. By accessing this website an Admin may have access to view your public IP address as provided to us by your ISP. This is how your device communicates to our server and is visible to any website you access. IP addresses may be checked during multi-account cheating disputes, but serve no other purpose.

IX. PROHIBITED USES

1. You may use the Site, its contents and the Community only for lawful purposes and in accordance with this Agreement. **By visiting our Site, or by using our Services, you hereby agree not to use our contents:**

    B. For the purpose of exploiting, harming, or attempting to exploit or harm minors in any way by exposing them to inappropriate content, asking for personally identifiable information, or otherwise.
    C. To transmit, or procure the sending of, any advertising or promotional material, including any "junk mail", "chain letter", "spam", or any other similar solicitation.
    D. To impersonate or attempt to impersonate Admin, Staff, or another User, or any other person or entity (including, without limitation, by using email addresses associated with any of the foregoing).
    E. To engage in any other conduct that restricts or inhibits anyone's use or enjoyment of the Site, or which, as determined by us, may harm Staff or Users of the Site or expose them to liability.

X. DISCONTINUING OF SERVICES

1. We reserve the right to discontinue any services on this website or close the website at any time, for any reason, without prior notice. If services are discontinued or the website is closed down permanently or temporarily, you agree to not hold us responsible or liable

for any losses or damages that result from the closure. In the event of website closure or removal, you are still bound by these terms.

XI. COPYRIGHT

1. **Shores of Lysia ARPG, Welkin Gliders, and Welkin Keepers IP belong to Hiu/97ducklings.**

2. Hiu holds all copyright over all elements and contents in shoresoflysia.com website, save from user submitted content.
3. Shores of Lysia staff holds enforcement rights. Staff reserves the right to take enforcement actions against users who violate these terms, such as removing user submitted content, limiting or discontinuing your access to the website and discord server, or taking legal action.
4. You retain ownership and rights to any content submitted by you, and you provide Shores of Lysia with a royalty-free license to display and share your content with other users on-site.

2025/09/24 Changes:

- Added new terms to Article I. #8.
- Added Subpart B to Article VI. #5

Version from: August 21, 2025.

Old text:

Users (defined as those who own or plan to own characters or designs as part of the Shores of Lysia ARPG, and participate in the Community and Site) agree to follow the Terms of Service presented here. Their right to the designs remain intact as long as this Agreement is respected and followed. Breaching this Agreement may lead to account suspension, as well as blacklisting from the community and ARPG elements of Shores of Lysia.

I. GENERAL

1. **You must be 16 years old to register on the site, and 18 years old participate in the chatting portion of our Discord server.** Members caught faking their age will have their account frozen until they are 16 years old, and will be removed from the Discord server.
    A. **Do not impersonate anyone or provide inaccurate information.** You are not required -- nor advised -- to share any personal information, besides your age, to participate in our community. Users caught impersonating another user, however, will be banned.
    B. Users younger than 18 and older than 16 years old may join our Discord server to follow specific, open-for-all channels, such as Announcements, Site Sales (see Payment Terms below), Current Events and Raffles. Those users can also access Rules and Guidelines, Directory, Role Selection, Staff and Introductions channels. Minors will not gain access to other channels within our Discord server.
2. **Be kind and respectful of others.** We are a LGBTQ+ friendly community, and do not tolerate racism, sexism or any form of hate speech towards individuals or groups of individuals. Remember most people are strangers and have their own boundaries. **If asked to drop a topic, please drop the topic**.

3. **Do not harass anyone.** Repeatedly tagging a person/role, begging and whining, unwanted criticism, as well as guilt-tripping or overall pressuring someone for their character, free art, etc., will lead to a warning. Personal disputes should be kept private. If there's any issue with a user you think might be important to address to staff, send a report on lorekeeper or create a ticket on #Ticket-desk channel on Discord to contact a moderator privately.
4. **Please keep personal sensitive topics out of the site and be mindful not to overshare.** While we want to help out as much as possible, staff and server members are unfortunately not qualified to handle such topics; additionally, it could be triggering for some users, and we strive to keep this community as a safe space for all. We deeply encourage you to seek professional help if you are having a hard time.
5. **Do not spam.** Keep in mind typing quirks, such as all caps or substituting letters for other symbols, may be difficult for some users to read and engage with. If asked to stop, please do so.
6. Art and literature pieces, as well as any photo or conversation topic, that includes sensitive content must be spoilered and tagged as such (for example: a simple "tw/trigger warning: blood" tag would be enough!).
7. **Sexual NSFW imagery or in-depth discussion is strictly forbidden.** Repeat offense of this rule will result in warnings or a ban.
8. **All submissions must be your own work. Artificial Intelligence (AI) content is not allowed and not tolerated.** Users caught submitting AI work will be warned once. The submitted AI piece will be deleted and any rewards given will be removed from the account. If caught a second time, the user will be banned.
9. Please submit a report or use #ticket-desk on Discord if there's anything concerning that needs to be reported.

II. ACCOUNT

1. To register on the Site, Users will be asked to provide:
    A. A unique username;
    B. A valid email address;
    C. A new password;
    D. A Toyhou.se account linked under "aliases".

2. The chosen username for your Shores of Lysia account cannot be vulgar, offensive, hateful, obscene, defamatory, or unlawful at the discretion of the Shores of Lysia Staff. Usernames that contain such language may be modified or have the account associated with them banned.
3. **You MAY NOT create more than one account.** There is a limit of 1 activated account per person.

III. ACCOUNT TERMINATION

III.I TERMINATION BY YOU

III.II TERMINATION BY SHORES OF LYSIA staff

2. Accounts terminated by Staff cannot be recreated and the User may not rejoin the community.
