

NLHG Values

INTEGRITY

We do everything with our values in mind.

We assume the best of intentions in people and give everyone the benefit of the doubt.

We follow through with what we agree to do.

We give feedback directly, respectfully, and with a focus on solutions.

We communicate our needs and expectations openly and do not get angry at others' failures to fulfill expectations we never clearly set.

We listen wholeheartedly, striving for understanding.

COMMUNITY

We create a space for all women, regardless of where they are in their homesteading journey.

We encourage energetic conversations across diverse perspectives and challenge each other respectfully.

We make an effort to develop relationships with the women in our community.

We strive to maintain an open and welcoming environment for all women.

WELCOMING

We create and maintain a supportive and accepting environment for all women.

Every woman who walks through our doors is greeted.

First-time guests will be introduced to someone with similar interests.

We commit to being fully present in the moment, avoiding outside distractions (i.e., phone usage, side conversations).

We respect and value the time and effort put into presentations by our speakers.

EDUCATIONAL

Every woman has something to contribute and gain.

We understand that knowledge is ever-changing and we are open to new and evolving information.

Topics will reflect the interests of the community.

COURAGEOUS

We support and encourage women to overcome challenges and obstacles.

We provide opportunities for women to step outside their comfort zones (i.e., doing presentations, joining Leadership, small business opportunities).
