

Big question	Tool used to find out	Question asked in tool	How I will know I have answered my question
How do parents and caregivers perceive our school's level of welcoming-ness?	ANA survey/5Essentials Focus groups and interviews	When you think about our school, what are some of the immediate words that come to mind? Can you tell me about a time you felt welcomed at our school? A time when you did not feel welcomed?	When I can describe common responses When I understand how families with different structures and backgrounds might feel differently When I understand which school practices are linked to which specific perceptions
