Learning Goals:

-

Here are some possibilities of how you can showcase our learning goals.
First, flip over the page and we will co-construct our success criteria.

Create a video using WeVideo or Flipgrid.	Create a poster or Sketchnote.	Create a 3D design using TinkerCad that shows your learning.
Use Minecraft and either the Camera and Portfolio or Screencastify.	Create a podcast.	Code an animation or a game on Scratch.
Write a writing piece using whatever format you'd like (essay, comic strip, letter, poem, etc) that showcases your learning.	Any other way you can think of (you must have a conference with your teacher before beginning)	Create and narrate a StopMotion animation

Success Criteria:
