MARTIN MIDDLE SCHOOL ELECTIVE REGISTRATION

24-25 Grade Level: 6th Grade

Elective Registration:

- Choose a **TOTAL** of 15 electives:
 - It is important to note that the availability of elective courses is dependent upon Martin's master schedule, and choosing an elective does not guarantee its availability in your child's individual schedule.
- Yearlong electives are scheduled first, then semester-long electives, and finally quarter-long electives.
- **NO schedule changes will be made for electives selections made during the online registration window** so take some time to review your options carefully at <https://bit.ly/MMSCatalog24-25>
- The elective registration window is open from **March 11-April 12**
- **You will be attending a GT Magnet Middle School. In addition to entering your elective choices in Powerschool, you will be given the opportunity to prioritize which courses you would like. *This does not guarantee you will receive your top choices*, but it will give your school more information about what you'd really like within the choices you made in Powerschool.**
