- ☐ Optional.... \$15-20 for snacks in the Trading Post.

Items should be packed in a footlocker (preferred)

Each camper needs a completed medical form (with Doctor signature). We'd like to collect these at our parent meeting in June and will deliver to camp before camp starts.

Each camper will spend time in the pool. Is your Scout a swimmer? They can have instructional swim time to improve their ability and confidence in the water. Please let leadership know.

Does your Scout have any allergies? Food concerns? Medications? Please let leadership know. Medications will be kept in the campsite and the Scout has the responsibility to manage their schedule with adult leadership. Email Scoutmaster76G@gmail.com or BSATroop76@gmail.com.

Each camper and adult is expected to behave in a respectful Scout like manner. Those who do not, will be asked to leave camp.

Please arrive to the Cabin on Sunday July 20th at 12:00pm. We will load up and carpool. Only adults and Scouts who are camping are permitted to exit the vehicles. All of our Troop/personal gear will be loaded in the trailer and the trailer will be parked at the campsite. Scouts will share tents with each other, sleeping on provided cots with mattresses.

Departure is on July 26th around TBA from camp's parking lot. We will carpool home to Cabin. After the Scouts have unpacked the trailer and are dismissed, then they may go home. Please do not hesitate to ask us any questions.
