Their posture is relaxed and intimate as they hold hands, surrounded by a warm, cozy atmosphere. The bedroom features clean white sheets, decorative pillows, a glowing bedside lamp, and a framed wedding photo on the nightstand. Natural evening light filters through the curtains.

As they talk, the woman softly says, "I still can't believe we're finally married." The man replies with a smile, "It feels like a dream I never want to wake up from."

Prompt 3:

A cinematic American wedding scene set in a sunlit garden surrounded by white roses and pastel decorations. Rows of white chairs filled with smiling guests, soft music playing in the background. The groom — a handsome man in a classic navy tuxedo — gently takes the bride's hand. The bride wears an elegant white lace gown, her eyes sparkling with emotion. As golden light shines through the trees, the groom slides the ring onto her finger and looks into her eyes. Camera captures a close-up of their faces, the wind softly moving her veil. He smiles warmly and says: 'From this day forward, you're not just my love — you're my forever.' The bride, holding back joyful tears, replies softly: 'And you're the reason my heart believes in forever.' They smile, lean in slowly, and share a gentle kiss as the crowd cheers, rose petals float through the air, and the camera pulls back to reveal the full garden, floral arch, and glowing sunlight — 4K, cinematic lighting, slow motion, romantic tone, soft focus, inspired by a Hollywood wedding film.

Prompt 4:

A high-stakes action scene in a sunlit abandoned industrial complex. A handsome man with sharp features, wearing a fitted grey tactical shirt and black cargo pants, sprints across a rooftop under clear blue skies. The camera glides beside him in a wide tracking shot as he dives behind concrete barriers and fires at armed enemies emerging from stairwells and catwalks. Dust and debris fly through the air with each shot, sunlight gleaming off his weapon. The camera cuts to a close-up of his determined expression, sweat glistening on his face. In one smooth motion, he rolls, reloads, and takes out two opponents with precision. A drone shot rises to reveal the full scale of the chase and gunfight across rooftops — sharp 4K detail, golden hour lighting, high-intensity motion, cinematic tone inspired by Extraction and Mission: Impossible.

Prompt 5:

A cinematic sequence set in 1950s Paris. A stylish man and woman sit at a small round table outside a charming café on a cobblestone street. The woman, wearing a red polka-dot dress and vintage cat-eye sunglasses, laughs gently as

she sips from a white porcelain coffee cup. The man, dressed in a tan blazer and newsboy cap, leans in slightly, smiling warmly. The camera begins with a soft pan across the street, revealing the red-and-white striped umbrella above them and the softly focused Eiffel Tower in the distance. Golden-hour sunlight bathes the scene in warm, nostalgic tones, casting long shadows and a subtle glow on their faces. Ambient street sounds mix with faint jazz music in the background.
