## Informational Items

*Please note that items with an asterisk are GE and graduation requirement (GE/GR) courses that were already in the review process. Unlike the hundreds of outlines that will be expedited this semester for fall '24 Title 5 compliance with their old approval date to maintain the 6-year revision cycle, the GE outlines below will have a 1/31/24 approval date to start a fresh 6-year cycle. Please also note that due to logistics, only GE/GR applicability will be in effect for fall '24. The rest of the course outline will be processed for spring '25. Please keep that in mind in fall '24 with these GE/GR outlines, especially when referencing SLO.*

\*Fall 2024 – GE applicability only; Spring 2025 – Rest of course revision
