

This document describes the Privacy Policy of the free mobile application “11 STAGES” - part of the “Break the Vicious Circle” project by the Humanity in Action Polska Foundation (hereinafter referred to as the ‘Privacy Policy’).

(2) The Application of the Humanity in Action Polska Foundation (hereinafter referred to as the ‘Application’) is installed on mobile devices, in particular mobile phones and tablets, after the Application has been downloaded by the User(s) via the Google Play Store (Android) or App Store (iOS).

(3) The use of the Application requires a mobile device with an iOS or Android system and an Internet connection in the form of an active data transmission package or an active Wi-Fi connection.

(4) The use of the Application does not require any personal data. The Application does not store any personal data. Solely non-personal data are stored, in particular demographic data and data concerning the usage of the Application. The collection of the data described in the previous sentence takes place automatically (hereinafter referred to as ‘automatically collected data’).

(5) The automatically collected data do not allow to identify the User(s) personally.

(6) The automatically collected data may be used by the Administrator to improve the quality of the services provided, in particular in the event of an error in the Application. In the situation described above, the automatically collected data will relate to the error in the Application, including the status of the User’s mobile device at the time of the error, the identification of the User’s mobile device and the physical location of the User’s mobile device at the time of the error.

(7) It is not possible to change or delete automatically collected data.

(8) If you do not accept the regulations of the Privacy Policy, please refrain from installing or uninstall the Application. Permanent deletion of the Application from your mobile device means that you no longer use the Application.

(9) This Privacy Policy is only complementary to the privacy policies of Google Play Store and Apple Appstore. The Humanity in Action Polska Foundation does not accept any responsibility for the privacy policy implemented by the entities managing the Google Play Store, Apple Appstore and Microsoft Store applications and their compliance with the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (Official Journal of the EU L 119 of 2016, pages 1-88), the Act of 10 May 2018 on the protection of personal data (Polish Journal of Laws Dz.U.2018.1000) and the Act of 18 July 2002 on the provision of electronic services (Polish Journal of Laws Dz.U.2017.1219) within Google Play Store, Apple Appstore and Microsoft Store.
