Tree of Life

The prophet Lehi had a vision

of the Tree of Life

He saw it shining

in the distance

so beautiful and bright

The sweetest fruit he ever tasted

and white as white could be
It filled his soul

with joy and gladness
He beckoned to his family

Come to the Tree of Life

partake of the fruit

I feel the love of God

And you'll feel it too

When you come to the Tree of Life

There’s joy here and peace

The greatest place in all the world

to be is at the Tree

The Tree of Life is just a symbol

of the Love of God

The pathway there is straight and narrow

so hold on to the rod

His words will guide us through

the darkness and
past the mist of gray
The enemies of
God may mock us

but we will boldly stand and say

The greatest place in all the world

to be is at the Tree
