

Sex Pollen/Curse; Fuck or Die - Tags and Tropes

It's a tags and tropes episode. We're gonna tackle a tag or trope in fanfiction. Break down some stats, share our overall thoughts, whether it's a gib gib or hard pass for us, and discuss a couple of fics that are prime examples of the tag or trope in action.

Topic suggested by listeners and Discord members, Dreamer (runawaydr3amer) and MJ (IncogNinja/ThoughtsLikeAMinefield)

We're diving into the Sex Pollen tag (which is closely connected to the Fuck or Die tag)

Preface the discussion with we try to follow the Your Kink Is Not My Kink And That's Okay (YKINMKATO) motto. But, we may interject our personal squicks about any given tag or trope but it's in no way meant to yuck anybody's yum.
