TERMS OF SERVICES

Any client commissioning me agrees to the terms below.

Global terms :

- Please **check my commission status on my home page (here), or socials bio or pinned status** before contacting me for a commission.
- I reserve myself the right to decline or cancel a commission at any time.
- Disrespectful behavior of any kind will not be tolerated and will get your commission canceled.
- I do not consent for my art to be bought and resold in any shape or form.
- I do not consent for my art to be used to feed/promote generative AI “art”, cryptocurrency or NFTs. I do not support any of these and never will.
- Prices are non negociable.

Payment and refund :

- **Payment upfront or 50% upfront.** I do not accept crypto currency.
- Payments are via **Paypal** preferably. Other options can be discussed !
- **For commercial use, you must purchase the rights from me at 300% the original price.**
- The prices are in **euros** only. Do not worry about having to calculate the exact amount : Paypal makes an automatic conversion between currencies. But please **check the conversion rate** from your currency to euros before commissioning me.
- I won't be able to refund the buyer after I start working on the commission, except if I chose to discontinue it myself.
- **If you're not satisfied with the final piece, I will not give a refund.**
- Some prices may change depending on complexity.

Client obligations :

- Carefully read through the **ToS** and **commission information and rates** on my carrd.
- Fill the **Commission Form** and write in a clear and concise manner when filling it out.
- Provide clear references of what you want. (More in the “Workflow” section bellow)

- Maintain manners and basic respect when addressing me through the whole process.
- Respond in a timely fashion if possible.
- If you fail to properly communicate important information or give clear enough references that results in the final work not meeting your expectation and leave you unsatisfied, the responsibility of it will fall onto you.

Workflow :

- I can communicate via **emails** and **Discord DMs**.
- Once I am done the final piece will be sent via **email or DMs**.
- If there are **deadlines**, you must commission me minimum **3 months in advance**.
- Deadlines must **be agreed upon by both parties** before I start working on the commission. I will not accept any deadlines to be changed to a date prior to the original deadline.
- I will work only with **one or several references** (one with flat colors/color palette is even better).
- Any reference is good for me to take, there is no such thing as a bad reference. This includes (but not limited to) picrews, moodboards, pictures, or other pieces of art.
- I'll work on a rough sketch, and send a work in progress for validation. At this moment, you can ask for changes. Changes won't be accepted/taken in account after validation, except in case of an oversight on my end or if the revision is small enough to be easily added without halting the progress on the work.
- **Excessive minor revisions** that prevent forward progress on the work will lead to additional fees.
- Please note that I do have an IRL life and obligations. Making art takes time, and the commission might take me **a few days/weeks minimum to finish**.
- If anything arises and prevents me from making any advancement your commission, **you will be notified as soon as possible**.
