Episode 1: (Insert Episode's Name Here)

*It starts with the contestants on this blank background*

3: I am so tired right now. What are they gonna do with this stupid object fool background?

Translate: No, it was me you know because of this number right here!

NWG: That's because he wanted to give faces and limbs because of his number letter!

*3 gives up because of neo waving guy*

*it cuts to fernandothegames plushie to be chillin right here!*

Fernandothegames plushie: I am so bored about this. What are they gonna do for many object shows that a stupid host will show up soon.

3: wait a second, i had a good idea! This might be highlighty will show up soon!

Fernandothegames plushie: what do you mean highlighty?

Fernandothegames plushie: even tho. That was Nightmaremoon26 was recommended. Oh man i can wait to see the host to show it.

Fernandothegames plushie: well anyways. Don't you mind me that you saw the host in here?

*fernandothegames plushie has to think of his host*

3: ok?

Fernandothegames: Whatever.
