

## REGISTRATION TO EXAM DATES OF SUBJECTS TAUGHT AT ANOTHER FACULTY (STUDENT GUIDE)

In order to register for exam date of subject that is not being taught at Faculty of social sciences (subject codes starting with other letter than “J”), you need to switch the “work with subjects” option to match the faculty of the subject you want to register the exam for.

You can switch easily by clicking on a dropdown menu situated in the upper right hand corner below your name.

See the picture:

Then, you should be able to register for the exam without any trouble using the module “Exam dates”.

This guide helps you solve the issue manifesting itself in the way illustrated by the image below:
