

Pep Band Schedules 2025-26 (August 2025)

- This calendar is a guide to help you plan your family events. Please note that some dates may change, or events may be added to the online version of this calendar, which can be found at www.onalaskabands.com.

Pep Band Events (Optional, but strongly encouraged):

Pep Band Events are optional for students; however, we strongly encourage students to participate in as many pep bands as possible. Students receive points towards their band letter for attending pep band events. **State-level pep bands will be selected based on participation in yearly pep bands.** Students with conflicts due to other school events will not be penalized for missed pep bands when they decide to participate in state events.

1. State-level games take precedence over any other game
2. A home regional game will take precedence over an away sectional game
3. An event may be changed/rescheduled/canceled
