### **M/P:**

Follow pedi attendance rules when on Pedi service blocks and electives.

MPPC – required to attend Tues and Fri AM conferences only

\*Excused from conference during global health electives that take the learner out of the country and away electives.

\*\*Please note that “anticipated absences” (e.g. for MD appointments, interviews, etc.) DO count towards your attendance! These anticipated absences are the reason why there is only 75% attendance required and not 100%.

\*\*\*Please let us know early about vacation plans so that you are not marked absent during vacations.
