

An Adult Fairy Tale

*Once upon a time there lived a King..
The King had a beautiful daughter, The PRINCESS..*

*But there was a problem. Everything the princess
touched would melt.No matter what;
Metal,
Wood,
Stone,
Anything she touched would melt.*

*Because of this, men were afraid of her. Nobody would
dare marry her.*

*The King despaired. What could he do to help his
daughter?*

*He consulted his wizards and magicians. One wizard
told the King, 'If your daughter touches one thing that
does not melt in her hands, she will be cured.'*

The King was overjoyed and came up with a plan.

The next day, he held a competition. Any man that could bring his daughter an object that would not melt would marry her and inherit the King's wealth...

THREE YOUNG PRINCES TOOK UP THE CHALLENGE.

*The first brought a sword of the finest steel. But alas, when the Princess touched it, it melted.
The prince went away sadly .*

The second prince brought diamonds.

He thought diamonds are the hardest substance in the world and would not melt. But alas, once the Princess touched them, they melted.

He too was sent away disappointed.

The third prince approached. He told the

*Princess,
'Put your hand in my pocket and feel what is in
there.'*

*The Princess did as she was told, though she
turned red .*

*She felt something hard. She held it in her
hand.
And it did not melt!!*

*The King was overjoyed. Everybody in the
kingdom was overjoyed.*

*And the third Prince married the Princess and they
both lived happily ever after.*

Question: *What was in the Prince's pants?*

M&M's of course.

They melt in your mouth, not in your hand.
