Charles SR & Katherine McCutchen Memorial Scholarship

The Charles SR and Katherine McCutchen Memorial Scholarship is given in memory of Charles McCutchen SR and Katherine McCutchen. This memorial scholarship is given to recognize the hard work of Charles SR and Katherine McCutchen in the field of electrical work. Charlie SR became interested in electrical work in his early 20s after watching a man wire his family's home. He got out of the Army in 1952, attended Western Trade School, and began working as an electrician in 1958. Charlie's Electric was opened on January 1, 1966. Charlie SR worked as an electrician in South Central Kentucky & Tennessee for 61 years.

Charlie SR was married to his bride, Katherine, for 60+ years. Katherine was instrumental in running the business and handled the day to day activities for most of the 61 years the business was open. She greeted everyone with a smile as they entered the doors of Charlie's Electric. As time went on, the business grew and became more well known. Charlie SR and Katherine McCutchen served as mentors to many of the young people in Simpson County and helped them get their start in the electrical field. We want to honor the legacy of Charles SR and Katherine McCutchen by allowing their hard work to be recognized and remembered for generations to come.

Charles Sr and Katherine were the loving parents of Charles McCutchen Jr and Keith McCutchen, the loving grandparents of Jennifer Atkins, Charles "Mac" McCutchen III, J'Nora Anderson, Morgan McCutchen, Maya McCutchen, Ella McCutchen, and Lyvia McCutchen, and the loving great grandparents of eleven amazing kiddos.

The Charles Sr and Katherine McCutchen Memorial Scholarship will be awarded to students in South Central Kentucky and will be given annually. Any student going to a trade school or a four-year college or university after high school is eligible. A trade school is preferred so students attending a trade school will get priority when choosing a recipient. This scholarship will be lovingly given by the children, grandchildren, and great-grandchildren of Charles Sr and Katherine McCutchen. We are so blessed to be able to continue their legacy with this scholarship.
