

COMPOST VOLUNTEER INFO BRUNCH

Apr 29 | 10am | Mesa Nueva Garden (between Marea & Artesa)

Curious about joining the composting team at graduate housing? Join the Mesa Nueva Garden Composting Team for brunch provided by Starry Lane Bakery and learn how you can volunteer. Participants will be able to sift and bring home their own compost ready for houseplants or gardening. Feel free to bring your compostable items to contribute!

The community composting system is “vegan” (no meat or dairy). It accepts fruits and vegetables, eggshells and nutshells, coffee grounds/filters, tea bags, paper and cardboard (uncoated, cut into small pieces), newspaper (shredded), houseplants, and hair and fur.
