 3. The '**Trade Mark search and Analysis**' is conducted and executed by experienced attorneys on Trademark Registration and their opinion and recommendation is a judgment based on the investigation of similar or identical officially-published trademarks and of those marks which are available on the official web portal of Trade Mark Registry and on their personal experience. Given the subjective nature of trademark searches and Analysis and the possible inaccuracies of the Trademark Offices Registers and other factors, we cannot guarantee that the Trade Mark search will be free of errors and/or totally complete. Also, the result of the Trade Mark Search and Analysis does not guarantee the registration of the trademark.
