

April 19, 2017

Dear Members,

Several of you had some questions about our upcoming trip to the Catskill Fly Fishing Center and Museum. I hope the following information is helpful.

Where is it?

The physical address of the Catskill Fly Fishing Center and Museum is
1031 Old Rte 17
Livingston Manor
NY 12758

Click the link below for directions.

[Dropped Pin: 1031 Old Rte 17, Livingston Manor, NY 12758](#)

When can we get there?

You can fish as early as you'd like. We've reserved the center's cabins for the nights of 4/28 and 4/29. You can report to the gift shop as soon as it opens at 9am. They will show you to your cabins. You can take your car up to the cabins to unload, but please park in the designated parking areas.

Do I need to bring food?

The club will provide a dish of sausage and peppers on Friday night and hot dogs and hamburgers on Saturday night. There will be some coffee and danishes for breakfast. Lunch will **not** be provided by the club. If you plan on not eating the sausage and peppers or hamburgers, please let Kevin Miller know. He can be reached at millwoodbuilders@aol.com

Is the trip currently full?

Yes. There are no more empty bunks on this one, but we'll do another trip real soon. Feel free to come fish with us and hang out. Keep in mind that you'll have to find your own sleeping accommodations.

Please Note:

The bunkhouses we'll be staying in are a basic shelter without heat or electricity. We will need to bring ALL our own bedding. A sleeping bag with pillow is probably the most convenient option. Feel free to bring whatever items best suit your needs. Also, there will be NO ACCESS TO THE PROPANE GRILL.

I wish I could join you, but family obligations mean that I'll have to join you on the next trip. Please have fun.

Best,

John L. Ahern
